"infernal." "There I" he exclaimed, "I told you so. Infernal means 'relating to the lower regions."" "Well," replied Mrs. Jenks, and there was a ring of triumph in her voice, "ain't that where he was iojured." Buyers were particular and critical examiners they would Requisites for Civilized Man.

The primary class in a school had the question : What are the three requisites for civilized man? Answer : "Food, clothing and shelter

shelter." The next day there was a review. The teacher put the question. All could remember food and clothing, but the third had escaped their recollection. The teacher then repeated, when a man has food and clothing, what else does he need to make him happy? One little fellow frantically waves his hand and stood up. "I know. Miss Currie." "What?" "A sweetheart."

"Very much. Wanted to know what it meant." "Well ?" "We locked him up and told him his vife had given the whole thing
