## Do You Know What DOMINION LIGHT Is ?

IT IS AN ELECTRIC LIGHT AND POWER UNIT, specially designed for farms and rural localities, where it is impossible to obtain the pleasures and advantages of Hydro.

It is a full Kilowatt plant, which means it is rated to carry 1000 Watts or fifty 20 Watt lamps with the engine running without drawing energy from the batteries.

It has an overload capacity of 20 per cent. which gives you in reality 1200 Watts or Sixty 20-watt lamps without drawing on the batteries.

Dominion Light will carry for a period of from seven to eight hours continuously using from both battery and engine from 70 to 80 20 Watt lamps.

Does this mean anything to you. Think it over. Can you get another plant for the same money which will give you the same results as Dominion Light.

## Music—the great Home Entertainer

There's snow outside and the wind is howling dismally round the chimneys.

But inside, all is bright and cheerful.

The phonograph is playing a rollicking melody just before the kiddies go to bed.

Everybody enjoys it. There isn't a dull moment all evening. Father has laid aside the cares of business.

Housekeeping problems are blotted out from mother's mind. The young folks sit dreaming of the future.

And all because of Music's magic charm.

Your nearest Music Store is a fine place to visit.

Go and see the versatile player pianos and phonographs—instruments that require no musical skill to enjoy.

See the pianos, organs, violins, banjos, ukeleles, flutes, etc., that your children should be learning to play.

### WALKING AND TALKING DOLLS

Lifelike Forms Gracefully Step Across the Floor Saying "Mamma" or "Papa."

DOLLS that walk and talk and wink and roll their eyes are Parisian Christmas novelties in toyland. These dolls seem almost human, as they walk in sprightly style across the floor saying "mamma" or "papa" just as real children would.

Walking dolls being a new invention, seem wonderful and bring screams of delight from little girls and boys, too, who watch with intense interest every step of the lifelike dolls as they are exhibited in the shops.

The machinery that moves the doll's legs is set in motion by a key that is inserted in the works at the waist line.

The voice is made active by works that are wound with a key.

The eyes move as the body sways from side to side, just as the real children's eyes roll and blink, etc.

### CHRISTMAS WEEK IN ENGLAND

Time When Scattered Families Are United and Tender Memories Are Revived.

MANY and great are the changes which have occurred in England since Dickens wrote "A Christmas Carol," but they have not affected the national love for the festival and the determination to preserve unimpaired the traditional warmth and heartiness of its celebration. Christmas week is still the great week of the year for the English people. It is the one week when scattered families are reunited, when tender memories and old associations are revived, when friend greets friend with a cheery expansiveness in striking contrast with the characteristic reserve of the English nature, so unobtrusive to those who do not know it well, apparently so distant and unsympathetic.

From Wednesday all business will be suspended, not to be resumed till Monday morning. The whole nation will give itself up to good cheer and good fellowship, and for a brief season, all strife and controversy are hushed, and peace, charity and concord reign supreme.

### Substitute for a Tree.

We are not going to have a Christmas tree, writes a correspondent. To make them brilliant many pretty little ornaments are needed and they cost a good deal. My plan is for a barrel in place of a tree. I have the barrel now in a closet. It is covered with old dark green cambric and the day before the great holiday I am going to pin sprigs of evergreen and holly over it. It will look pretty gay, I think, when it is filled with the gifts that are going into it now, all prettily tied and tied, and my son as jolly Old Santa Claus stands over it to delve into its mysteries and to proclaim the names of those who are to solve them. I am sure we will enjoy our barrel as much as we would a tree.

### Best of All Holidays

TAKING it all in all, it may be safely asserted that Christmas is the merriest and the best of all holidays, and one which is likely to be observed for ages yet to come. Nations may rise and fall, new beliefs and religions may sweep away the old, but that would seem, indeed, a dreary and empty year which brought no merry Christmas in its annual round. May old Father Time long spare his holiday to mankind to gladden the hearts of all with its coming, and may each Christmas be still merrier than the last.

### An Ancient Christmas Dish.

An indispensable Christmas dish of ancient times was "frumenty" or "frumante." Here is the recipe for making the dish according to a faithful old chronicler: "Take clean wheat and bray it in a mortar until the hulls be all gone off, and seethe it until it burst, and take it up and let it cool; and take clean, fresh broth and sweet milk of almonds or sweet milk of kine and temper it all; and take the yolks of eggs. Boil it a little and set it down and mess it forth with fat venison or fresh mutton." Frumenty was often served alone without venison or mutton. When served by itself it was well sweetened.

## THE DAILY MISERY OF ILL-HEALTH

Three Years of Suffering Quickly Relieved by "FRUIT-A-TIVES"

MR. GASPARD DUBORD

159 Avenue Pius IX, Montreal.

"For three years, I was a terrible sufferer from Dyspepsia and my general health was very bad. I consulted a physician and took his medicine and faithfully carried out his instructions; but I did not improve and finally the doctor told me I could not be cured."

At this time, a friend advised me to try 'Fruit-a-tives' and I did so. After taking two boxes of 'Fruit-a-tives', I was greatly relieved; and gradually this marvelous fruit medicine made me completely well. My digestion and general health are splendid—all of which I owe to 'Fruit-a-tives'.
