## HAVE YOU ANY OF THESE SYMPTOMS?

If You Have, You Are in Need of a Tonic Medicine.

Are you pale and weak, easily tired and out of breath on slight

exertion? Are you nervous? Is your sleep disturbed? Do you wake up in the morning feeling as tired as when you went to bed? Is your, appetite poor, your digestion weak, and do you have

pains after eating?

If you have any of these symptoms you need a tonic, and in the realm of medicine there is no better tonic, than Dr. Williams' Pink Pills, which enrich the blood, restore shattered nerves and bring the glow of health to pale cheeks. The value of Dr. Williams' Pink Pills is shown by the case of Mr. Horace Cuphill, Woodward's Cove, N.B., who says:—"The first indication that my general health was not good was a shortness of breath after the least exertion. Then my appetite began to fail, and after eating it seemed as if there was a lump in my stomach. I grew so weak that I could not walk a hundred yards without resting. Then I was taken with a numbness all over my body and was in a sad plight. I was under a doctor's care, but as I was not getting better, I decided to try Dr. Williams' Pink Pills. The first few boxes did not seem to help me but my wife urged me to continue their use and I got four soxes more. Before these were gone I could eat a fair meal, the numbness was leaving me and I was feeling much better in every way. I took the pills for a while longer, and felt that I was again a well man. I still take the pills occasionally, but have had no return of the old trouble."

You can get these pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## New Lamp Burns 94 Percent. Air

BEATS ELECTRIC OR GAS

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, F. N. Johnson, 246 St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per
