BLACK HAWK!

THE above-named Horse is of pure Cana-
dian breed; it is unnecessary to offer any
remarks as to his quality, suffice it to say, that Pro-
vidence in his wisdom has adapted his creature
to the habitation of every clime; and, when we
attempt to subvert Nature's order, by transplanting
the creature of the torrid to the frigid zone, the
consequence of such infringement is obvious to all.
The above Horse, the property of D. P. Myers,
Esquire, Chatham, will stand for the Season at
the following places, every alternate week for the
Season, viz:
Monday, 5th May, at Wheaton's and Digdegush
Mills.
Tuesday 6th, at M. F. Macdonald.
