word from you, as I finally expected, now enshal all over the world.

coudent sell em. was adoing.

land, and wouder beelt a mill and got 5000 Then theyll give it on the roads. no, better than sembly men, what mill on. Isaac aplied for a road thro the woods and the public affairs of this Province. ners want, and give it to them too. You may they taxed the onner of that township who them offis holders work for the mill owners, drifts on the road, cause its all the way thro to put Your Majesty in possession of the true state of matters which have led to such the bush and no clearings to let the wind in when the offis mer be gone. So you see You—the sembly men wont tax the provinse share, which you no would pay for the land the first winter, and we would jist make 2 dollars and 90 cents for every thousand feet alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you, alore even they cum to the mill. But you alore even they cum to the mill. But you alore even they cum to the mill. But you alore even they cum to the mill. But you alore even they cum to the mill. But you alore even the spring to the spring to the spring the would the spring to the spring the would the spring to the spring the spring to the spring the more in which the spring the the spring the the spring to the spring the spring to the spring the spring the spring the spring to the spring the alore even they cum to the mill. But you, we must keep this colos, like every wise mill on the Province, who to do them justs does as well as any Yaukee in making what they say go down for the real truth and no mistake. Well them logs must come to our mistake. Well them logs must come to our mistake.

no, you sent the latter by Nat Wauker who there for the King but first I must let you sent from brot slays and things thro to Woodstock and no the Kings name in this bisnis is a pretty pertiklar sly sort of a humbug, faculized by I have a plaguy deel to rite you about them law; but the King never sees a cent of it, air peeple of Noo Brumsik, and parteeklar and rather suffers by the ill will of the peethem fellars at hid quarters. I was in Fre- ple it is screwd out of, who no it is at the drike town three weeks. I got my foot froze beck and call of favorites and of one Lord and had to cum out of the woods to get it Greenleg. We all no what a rich place Engkured; so I jist hobelld about to hear what land is, and the down rite waste of hard cash they squawndre to keep up Kings and no-Well-they tauked pretty hard, I tell you, bility, and I gess King William nos nothing Well—they tauked pretty hard, I tell you, about nor never heard of them air 500,000 about Squawters and Speckle aters and Mill about nor never heard of them air 500,000 repeal a part of the 12th Section of an Act mands, and the opinions of the Legislative onners. Sum sade as how they do ruind, Jound dollars now lying idle in Noo Brumsik passed in the sixth year of his present Ma- Council and assembly. Your Majesty will, it onners. Sum sade as how they be ruind, round dollars now lying idle in Noo Brumsik passed in the sixth year of his present Macouncil and assembly. Your Majesty will, it is humbly trusted, at once perceive, that they cause the assembly men was going to get all the land and public money into their own the land and public money into their own with cm. The sembly men have been trying to the second of the Council and assembly. Your Majesty will, it is humbly trusted, at once perceive, that they cause the sembly men was going to get all is humbly trusted, at once perceive, that they have been trying to these officers, to cause the sembly men was going to get all is humbly trusted, at once perceive, that they have been trying to these officers, to cause the sembly men was going to get all is humbly trusted, at once perceive, that they where no adequate revenue was secured.

Mr. Johnston decidedly thoughts that the the land and public money into their own bands, and woudent let the peeple have none; but I gess taint isackly so, cause others sade but I gess taint isackly so, cause others and the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too, but they havent got them yet the lands too the Ah! cozen, if me and you and uncle Josh and the governor is as strunsh as the Giural had acum last year and squawted sum where was with Nick Biddle and the Bank. Gean in Provinse-how nice we coudey got our theyll get it in the cend and no mistake .- |

Finally, gess our spec would be safe enny way. Them provine peeple is terrible afraid and states prison Boots and sum because an amended to embrace the numerous objections sugges ed by His Excellency, there would have been a material and substantial afteration in its provisions, and thus have an amount of the charman, it had been a manded to embrace the numerous objections sugges ed by His Excellency, there would have been a material and substantial afteration in its provisions, and thus have an amount of the charman, it had been a manded to embrace the numerous objections sugges ed by His Excellency, there would have been a material and substantial afteration in its provisions, and thus have an amount of the charman, it had been a manded to embrace the numerous objections sugges ed by His Excellency, there would have been a material and substantial afteration in its provisions, and thus have after all there no plan of doing well easier. Mr. Weldon said that it was not Mr. Jone would have been a material and substantial afteration in its provisions, and thus have after all there no plan of doing well easier. The province peeple is terrible afraid and states prison Boots and sum a word from you, as I finally expected, now enshal all over the world.

Less of Speckle ashon. Hell you Im a screation of the world in that the good old ginerals time is night up.—

I haint abeard from you since that time, you about the lots of money as has been raised me can do it up slick. So no more at pre
