Is Your Breath Bad?

Bad breath is one of the early symptoms of catarrh which should be checked at once and not allowed to run into consumption. The surest cure is fragrant, healing Catarrhozone, which cures catarrh by removing its cause. No case is too chronic—even the most stubborn yield in a short time to the balsamic vapor of Catarrhite to the catarrhite to the balsamic vapor of Catarrhite to the balsamic vapor of Catarrhite to the balsamic vapor of Catarrhite to the c ozone. It makes cures that last, for once cured by Catarrhozone you stay cured. Catarrhozone is pleasant, con-venient, relieves almost instantly, and s guaranteed to cure every type of atarrh, brenchitis and asthma. Use

only Catarrhozone, 6 \$1.00; sample size 25c. The management of the Joggins have decided to flood the mine.

ego. They sailed from Nova Scotia on March 17th last with eight companions treasure in large quantities, which the captain of the vessel said was to be and there. When the schooner reached the coast of Terre del Fuego she went aground in trying to land, and McManus and Thompson, oaving had a party, took all their belongings from the vessel and started for the interior with a band of Patagonian Indians. ship and finally made the coast again,

miles and reached a point from which they sailed for this port.

Chamberlain's Cough Remedy. ly for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works; of the aggravating and vere colds that have yielded promptly to its soothing effects, and of the dan-gerous attacks of croup it has eured, often saving the life of the child. The often saving the life of the child. The extensive use of it for whooping cough has shown that it robs that disease of all dangerous results. It is especially prized by mothers because it contains nothing injurious and there is not the least danger in giving it even to babies. It always cures and cures quickly. Sold by S. N. Weare.

Bridge for Strait of Canso. Sydney, Jan. 17 .- The plans for the roposed bridge across the Strait of anso are now in course of preparaion by Waddell and Herrick, a wellknown engineering firm of Kansas City. The bridge will cross the strait netween Cape Porcupine and Hastings. The proposed bridge will be a cantiver structure, the centre span of which will be 1,800 feet long, the longest in the world. The total length of the bridge will be 3,300 feet, and it will cost in the vicinity of \$5,000,000. The erection of the bridge will necesitate some changes in the C. P. R. aporcaches. The bridge will be 150 feet above high water level, and will take about 35,000 tons of steel in its contruction, which will be supplied by
