## DISCOUNT NOTICE.

As is our usual custom we now offer discounts for fall and winter orders. We desire it to be understood that we do this principally to avoid the crowding in the rush at springtime. We can always fill the orders to better advantage and take more care when we are not crowded. This of itself is a good thing for the customer, and when to this is added the discount which we show on catalogue prices, it will be well worth trying. Up to January 1st, 1888, our discounts will be as follows:

### 10 PER CENT.

Hives, Sections, Honey Extractors, Honey Boards, Section Frames, Section Cases, Frame Turners, Wire for Frames & Posts, Smokers, Hive Champs, Honey Knives, Wax Extractors, Bee Tools, Comb-carrying Buckets, Comb Scales, Bee Guards, Roping Cars, Uncapping arrangements, Bee Yehs, Queen Nurseries, Labels, Anatomical Charts.

### 5 PER CENT.

Nails, Perforated Metal, Comb Foundation, Force Pumps, Feeders, Rubber Gloves, Introducing Cages, Tins, Shipping Crates, Honey Glasses, Sealers, Dextrine, Wire Cloth, Mosquito Bar.

All other goods in our Catalogue are subject to the prices found therein. For January the Discounts will be 8 per cent and 4 per cent, respectively; for February 6 per cent and 3 per cent; March 5 per cent and 2 per cent. No discount after April 1st. These prices of course are for cash with order. We have a big stock of almost everything on hand, and can ship at short notice. Catalogue free on application.

## 1-LB. GLASS JARS. SCREW TOP.

We are just advised of shipment from the factory of the first instalment of 50 gross of the above. They are put up in barrels and horseheads, (the latter for our own local use), and to save breaking bulk when shipping, we append below a table of the quantities of which the shipment consists, together with the prices per barrel. In estimating the price, we have calculated the same as for full gross lots, an allowance of 20 cents being made for each barrel and packing (they cost us 50 cents).
