

ISOLA BELLA. Size, 17 x 25.

ISOLA BELLA is a rare scene in northern Italy, giving a distant view of the residence of the celebrated Barronetto family, with its beautiful environs of lake and mountain. It forms an excellent companion to our handsome premium chromo "Lake Maggiore," as all having the latter can readily see by comparing the cut above with it. So many have written to us for a mate to "Maggiore" that we have procured a stock of the above, and will supply them at the same rate as "Maggiore," though they cost us considerably more. Send 90 CENTS at once and secure a copy of ISOLA BELLA, by mail, post-paid.
