Tailormaid

The construction of a waist is under all conditions a difficult thing, but without a good fastener is an impossibility. If you want the edges to meet in a perfect line, without gaps or wrinkles, you must use

Tailormaid
REGISTERED TRADE MARK

The cloth "as good as Tailormaid" is abroad in the land. Do not you believe it! There isn't a dress fastener made that's as good as Tailormaid. The principle of the continuous eye alone raises it far above all other dress-closing devices. It's going quickly to the stores that sell it.

There can be no parting or gaps the eyes are continuous
