THE articles manufactured by us are under one
general superintendence during the whole process of
manufacture, beginning with the raw hide, and end-
ing with the finished boot and shoe. By this arrange-
ment we secure uniform quality throughout.

Orders received by post promptly executed, and
should the goods sent not be approved of, they may
be returned at our expense.

To occupy the extensive facilities which we have at
our command for the manufacture of Boots and Shoes,
it is necessary that we should send goods to all sec-
tions of the Province, however remote, every induc-

end.

Men's, Boys', Youths', Ladies', Misses' and Children's
wear, in over 200 different patterns. Special notice is
requested to the fact that all our goods are hand-made,
and of the very best material. The introduction of
Pegging Machines having thrown a large number of
workmen out of employment, and consequently re-
duced the cost of labor, we are thereby enabled to
manufacture neater and more substantial Boots and
Shoes, at no greater cost than if made by machinery,
and are prepared to offer the choicest goods at the
very lowest possible figures.
Orders personally or by Post, will have our immedi-
