ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as the sun." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

NEEDLE-WORK

Needle-Work: A Manual of Stitches and Studies in Embroidery and Drawn Work.

This manual is an attempt to systematize and arrange in an order convenient for workers, the modern methods in Embroidery and Drawn Work. The author has felt the desire and the responsibility involved in aiding women to a true and practical guide to the beautiful art of needle-work. When the Angel of Mercy begged that woman might not be created because she would be abused by man, as the stronger, the Lord listened, but felt that he could not give up the whole scheme of creation, so he gave the loving Angel permission to bestow upon her any compensating gift she chose, and the Angel pityingly endowed her with tears and the love of needle-work.
