HOLLOWAY'S PILLS.

TER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor to way, by a Gentleman named Middleton, of Scotland Road. Liverpool.

Sin.—Your Pills have been the means, under Providence of restoring me to sound health after five years of severs affiction. Buring the whole of the period, I suffered the most dreadful attacks of Asthms, frequently of severs weeks' duration, attended with a violent cough, and continual spitting of phicam intermixed with blood. This so shook niv constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy. I red your Pills, and in about three months they effected a perfect cure of the disease, totally evaluated the cough, and restored towe and vigour to the chest and digestive organs.

I am, Sir, your obedient Servani.

A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' STANDING.

Copy of a Letter from Mr. Gunu, Chemist, Yeavil, to Professor Holloway.

to Professor Holloway.

Dram Sim.— In this district your Pilis command a more extensive sale than any other proprietory medicine before the public. As a priof of their efficacy in Liver and Billious Complaints. I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver, and digestive organs, her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pilis, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pilis have been the means of saving her life.

I remain, bear Sir, yours truly,

AN ASTONISHING CURE OF CHRONIC RHELMATISM AFIER BEING DISCHARGED FROM THE HUS-PITAL INCURABLE.

Topy of a Letter from W Moon, of the Square, Winchester.

To Professor Hollowat,

To Professor Hollowal,

313,—I beg to inform you that for years I was a sufferer from Chrome lineamatism, and was often faid up for weeks together or its severe and painful attacks. I tried overy laing that was recommended, and was attended by one of the most eminent Surgeons in this town, but obtained no relief whatever; and fearing that my health would be antirely broken up. I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no anait, and I came out no better than when I went in. I was then advised to try your Pols, and by persevering with them was persectly cured, and enabled to resume my occupation, and dictiough a considerable period has elapsed I have felt no return whatever of the complaint.

AN EXTRAORDINARY CURE OF DROPSY AFTER SUFFERING FOR EIGHTEN MONTHS. Copy of a Letter from Mr. G. Briggs, Chemist, Gode, datea February 14th, 1853.

To Propussor Holloway,

Sin-I have much pleasure in informing you of a most surprising cure of Dropey, recently effected by your valuable medicines. Captain Jackson, of this place, was afficted with Dropey for upwards of eighteen mouths, to such an extent that it caused his body and limbs to be much swollan and water occodes it were from his skin, so that swollen, and water oozed as it were from his skin, so that a daily change of apparel came necessary, notwithstanding the various residence trod, and the different medical menconstited, all was of it avail, until he commenced using your Pills, by which, and it strict attention to the printed directions he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it,

I am, Si-, yours respectfully,
