### BRITISH MEDICAL ASSOCIATION.

#### A CLINICAL MUSEUM AT THE AUGUST MEETING.

DR. WM. CSLER has suggested that a clinical museum, at which rare and interesting cases can be exhibited, should form one of the features at the meeting of the British Medical Association. The secretaries will be glad to hear of any cases that members would care to exhibit, and would be glad if members would communicate with them about such cases.

#### SECTION OF MEDICINE.

President—Sir Thomas Barlow, Bart., K.C.V.O., M.D., London.

Vice-Presidents—Professor Alex. McPhedran, M.B., Toronto; Professor James Stewart, M.D., C.M., Montreal; Alex. Napier, M.D., Glasgow; Wm. Calwell, M.D., Belfast.

#### PROVISIONAL PROGRAMME.

The following subjects have been selected for discussion:

Tuesday, August 21st.—A discussion on "Blood Pressure in Relation to Disease." The subjects will be treated under the following headings: (a) "The Physiological Introduction," by Dr. Dayson (Baltimore); (b) "Clinical Methods of Investigating Blood Pressure," by Dr. G. A. Gibson (Edinburgh); (c) "Pathology and Therapeutics of Morbid Blood Pressure," by Sir Wm. Broadbent. The following will also take part: Dr. MacKenzie (Burnley), Sir James Barr, Dr. Janeway (New York) and others.

Wednesday, August 22nd.—A joint discussion with the Physiology Section on "Over-Nutrition and Under-Nutrition, with Special Reference to Proteid Metabolism," to be opened by Prof. Crittenden, of Yale.

Thursday, August 23rd.—Papers on "Heart Block," by Dr.
