

Whereas the congregations of Norwood, Hastings, and Westwood, have given bonds to this Mission Board for the annual payment of \$550 towards the stipend of the Missionary, for the period of three years, dating from the 1st day of July last :

*Be it therefore resolved*—That the sum of \$200 per annum be granted for the term of three years from the first day of July last, provided the several congregations comprising the Mission, faithfully fulfil their part of the agreement.

Whereas it was proposed and adopted at the Meeting of this Mission Board in November last, that a grant of \$300 be made to the Mission of Gore's Landing, Harwood and parts adjacent whenever a Missionary should be appointed to those places ; and, whereas the Rev. W. H. Wadleigh has been appointed to said Mission, including Alnwick, by the Lord Bishop of the Diocese, and the congregations comprising said Mission have given bonds for the amount of \$386 towards the payment of the Clergyman's stipend, besides agreeing to pay his house rent ;

*Be it therefore resolved*—That the sum of \$300 per annum be granted by this Mission Board to the said Mission of Gore's Landing and Alnwick, for the term of three years from the 1st day of July, 1875, provided the people fulfil their part of the covenant entered into by them.

Whereas an application was made in May last to this Mission Board, for aid in supporting a Missionary, by the Churchmen of the Township of Murray in the Diocese of Toronto ; and the Reverend Canon Bleasdel, Rector of Trenton, in the Diocese of Ontario, having agreed that his Curate (about to be ordained) shall extend his services to the Township of Murray, provided this Mission Board will grant the sum of \$100 per annum towards his stipend ; and the people of Murray having subscribed and given a bond for a like sum of \$100 to this Board :

*Be it therefore resolved*—That the sum of \$100 be granted to the congregation of the Township of Murray, for one year from the first day of September, 1875, provided a regular Sunday Service be given them by the Curate at Trenton.

*Resolved*—That the annual grant to Woodbridge and Vaughan be increased to the sum of \$300, such increase to date from 1st July, 1875.

*Resolved*—That the grant from this Board to the Mission of Perrytown and parts of the Township of Clarke, be increased to \$250 per annum for one year, such increase to date from 1st July, 1875.

*Resolved*—That the sum of \$400 per annum be continued to the Galway District, (now filled by his Lordship the Bishop, by the appointment of the Rev. P. Tocque), as a Travelling Mission.

*Resolved*—That the Mission of Mulmur West be continued on the Mission Board Pay List, at the rate of grant voted (\$300).

*Resolved*—That the Secretary be directed to write to the Missionaries on the Pay List of the Mission Board, urging them to stir up the congregations under their charge to contribute largely to the support of the Missionary work of the Diocese.

In view of the present state of the Mission Fund, this Board would address an earnest appeal to self-sustaining congregations, both in towns and in the country, for enlarged and increased contributions.

The Board regret to observe that some of the Missions receiving grants in aid contribute nothing to the Fund, while others give less than might reasonably be expected from them.

*Resolved*—That a Committee, to be named by the Lord Bishop, be appointed to ascertain what proportion may be expected from the different congregations of the Diocese, towards the support of the Missionary work of the Diocese.

*Committee*—Rural Dean Stewart, Chairman ; Rural Dean Cooper, Rural Dean Lett, Revd. Septimus Jones, Mr. Marling, and Mr. Chafee ; to report to the Bishop on or before the 15th September.

*Resolved*—That his Lordship be requested to issue a Pastoral, based on the report of the Committee on Assessment for Missionary purposes.

*Resolved*—That, with the Lord Bishop's sanction, two Missionary deputations be appointed, one for the East, the other for the West.
