Information solicited from any part of the Dominion regarding contracts open to tender.

Advertising Rates on application.

At its Convention held in Toronto, Nov. 20 and 21, 1889, the Ontario Association of Architects signified its approval of the CANADIAN CONTRACT RECORD, and pledged its members to use this journal as their medium of communication with contractors with respect to advertisements for Tenders.

The following resolution was unanimously adopted at the First Annual Meeting of the Province of Quebec Association of Architects, held in Montreal, Oct. 10th and 11th, 1890: "Moved by M. Perrault, seconded by A. F. Dunlop, that we the Architects of the Province of Quebec now assembled in Convention being satisfied that the CANADIAN CONTRACT RECORD affords us a direct communication with the Contractors, resolved that we pledge our support to it by using its columns when calling for Tenders."

Subscribers who may change their address should give prompt notice of same. In doing so, give both old and new address. Notify the publisher of any irregularity in delivery of paper.

## TENDERS.

Whole or separate tenders will be received by the undersigned up to 6 o'clock p. m., THURSDAY, APRIL 5TH, 1894, for the erection of a

### FOUR ROOM BRICK SCHOOL HOUSE

in the Town of Sudbury. Plans and specifications can be seen at the Post Office, Sudbury, or at the office of the Architects, Thos. Kennedy & Co., Barrie, Ont.

The lowest or any tender not necessarily accepted.

STEPHEN FOURNIER,  
Chairman Sep. School Board.

Sudbury, March 12th, 1894.

## TENDERS

### Sewer Pipe, Curbing Stone, Cement, and Flagging Stone

will be received at this office up to noon of MONDAY, THE 19TH MARCH, 1894, for the supply of the above named articles as may be required for corporation purposes for one year from the 1st day of April, 1894, in accordance with specifications to be had on application at this office.

The Council reserve the right to reject any or all tenders.

JOHN TISSIMAN,  
Town Clerk.

Town Clerk's Office,  
Chatham, Feb. 23, 1894.

## TENDERS

Sealed tenders will be received by the undersigned until the 23RD DAY OF MARCH, for building a

### STEEL BRIDGE

known as Byer's bridge, in the Township of Downie, said bridge to be 78 feet in the clear in length and 14 feet roadway; situated about 5 miles from Stratford station. Plan of bridge to accompany tenders.

P. SMITH, Clerk Tp. Downie,  
Sebringville P. O., Ont.  
Downie, 28th Feb., 1894.

### CONTRACTS OPEN.

FOR STEEL, B. C. Mr. Hanson intends erecting a saw mill here.

SHEFFIELD, ONT.—The Presbyterians contemplate the erection of a new church.

FRANKVILLE, ONT.—Mr. Wesley Brown is preparing to erect a new residence.

VALLEYFIELD, QUE.—The question of erecting a new Catholic church is being discussed.

PARRSBORO', N. S.—Tenders will be invited at once for the erection of a new school building.

N. GERMAINE, QUE.—A new church is to be built here to cost \$12,000. Tenders are being invited.

CANNINGTON, ONT.—The congregation of the English church propose to erect a new Sunday School building.

HARRISTON, ONT.—Mr. George Gray, architect, is preparing plans for a residence for Mr. A. J. Stewart, town clerk.

KAMLOOPS, B. C.—Mr. H. B. Smith, C.E., has completed the survey for the proposed bridge over the Thompson river.

BOWMANVILLE, ONT.—Messrs. Post & Holmes, architects, of Toronto, are preparing plans for three stores to be built by Mr. Haines.

HIGH BLUFF, MAN.—It is said that Messrs. Athison & Co., grain merchants, will build an elevator here during the coming summer.

CALGARY, N. W. T.—It is said that the Hudson's Bay Company purpose erecting a two-story stone block adjoining their present premises.

BRITANNIA, ONT.—A subscription list for the erection of a Roman Catholic church has been opened. Mr. Kehoe has donated a site.

RENFREW, ONT.—A new iron bridge will be constructed over Mr. M. L. Russell's canal. Mr. J. L. Morris, C.E., has been making surveys.

ST. THOMAS, ONT.—Plans have been prepared for a new three-story building for an opera house, to be built on the north side of Talbot street.

STRATFORD, ONT.—Mr. B. F. Young, Chairman Board of Works, will receive tenders until noon of the 28th inst. for the supply of the following plank: 125,000 feet 2x12 inch; 50,000 feet 2x10; 350,000 feet 3x12; 300,000 feet 4x4.

BEEBE PLAIN, QUE.—Mr. Richard Smith, of Sherbrooke, contemplates the erection, at this place, of an establishment for making paper.

GATINEAU POINT, QUE.—The St. Jean Baptiste Society and the Catholic Foresters each contemplate the erection of a new hall suitable for their purposes.

WOODSTOCK, ONT.—Messrs. Cuthbertson & Fowler, architects, are inviting tenders until the 20th inst. for the erection of a four-roomed brick school in the village of Princeton.

GALT, ONT.—A by-law is soon to be submitted to the ratepayers for the issue of debentures to the amount of \$11,000 to be used in repairing and enlarging two of the public schools.

KINGSTON, ONT.—Messrs. Power & Son, architects, are calling for tenders for the erection of an office building on the corner of Clarence and King streets for the Rectory Committee.

CALEDONIA, ONT.—It will cost from \$10,000 to \$15,000 to repair the damage done by the flood on the Grand river to the dam at this place. Over 600 feet of the apron is swept away.

CHATHAM, ONT.—A new Standard Bank building is to be erected on the corner of King and Sixth streets. Mr. Rutley, architect, has prepared plans. The cost will probably reach \$20,000.

HALIFAX, N. S.—Mr. W. L. Brown, City Treasurer, invites tenders until Friday, the 6th of April, for a loan of \$5,250, the money to be used for purchasing fire hose and the payment of sundry accounts.

REVELSTOKE, B. C.—Messrs. Duchesnay and Walkem, C. P. R. engineers, are taking soundings just below here for the final location of the proposed steel bridge over the Columbia river on which work will be commenced in the fall.

CAMPBELLFORD, ONT.—Tenders are invited by Mr. F. B. Ferris, Township Clerk, until Monday the 19th inst. for the superstructure of two steel bridges, one at Hoard's of 75 feet span, and one at Myersburg of 50 feet span, both in Township of Seymour.

BROCKVILLE, ONT.—Mr. G. A. Allan, architect is preparing plans for two new stores for Mr. Samuel Flint.—Messrs. Cossett Bros., agricultural implement manufacturers, will enlarge their works, necessitated by increase of business.

SANDWICH, ONT.—A deputation from the County of Essex recently interviewed the Ontario Government asking assistance towards the enlargement of the jail and court house in this town. It is proposed to expend the sum of \$20,000 on the improvements. The Government promised consideration.

OTTAWA, ONT.—A deputation from this city recently waited upon the Ontario Legislature at Toronto urging that a grant be given towards the construction of the proposed bridge over the Ottawa river at Nepean Point. The City Council has promised a subsidy of \$150,000 and the

Government was asked to grant a similar sum.

BRANFORD, ONT. At a recent meeting of the Board of Trade, a resolution was passed urging the Council to take steps to prevent a recurrence of the damage done by the recent flood on the Grand river. It is probable that an expert engineer will be engaged to formulate a scheme to protect West Brantford and Eagle Place.

HAMILTON, ONT.—The Hospital Committee has decided to call for tenders for the erection of a fever house, to cost \$2,000, in accordance with plans prepared by Mr. Charles Mills, architect.—The Building Committee of Knox church has accepted plans prepared by Charles Mills, architect, for a new Sunday School building, which is to cost \$7,000.

LONDON, ONT.—The construction of a new system of sewerage is being considered by the City Council. The Dominion and Provincial governments will be asked to contribute towards the cost of the work. The Board of Education, at its last meeting, decided to request the City Council to issue debentures to the amount of \$20,000 for the purpose of erecting a new school building on Colborne street. A building permit has been granted to S. B. Coon, for a two-story brick residence and barn, corner of Oxford and Richmond streets, to cost \$2,500.

QUEBEC, QUE. The Council of the Board of Trade has instructed Mr. Berlinguet, architect, to prepare plans for the construction of a building for its use, with offices and stores.—The Fabrique of St. Roch's has given a large piece of ground on the north side of St. Joseph street on which to erect a building for a public library, which was promoted by Rev. Mr. Belanger, cure of the parish. The new edifice will be four stories high, of stone, 70 feet by 115 feet. Mr. Allaire will begin in a few weeks the improvement and enlargement of his present place of business. The interior of the sale rooms will be completely rebuilt.—The Jesuit Fathers have decided on the completion of their chapel at Villa Manrese. Messrs. Tanguay and Vallée will prepare the plans.

WINNIPEG, MAN.—The congregation of St. Andrews church has decided to erect a new edifice, the site chosen being corner of Elgin avenue and Ellen streets. At a recent meeting plans were selected and tenders will be invited at once for the erection of the building, which will be built of stone, 12 feet above the surface bed and solid brick to the top. Estimated cost, \$40,000.—The Board of Works has recommended that tenders be called for the iron superstructure of the Boundary street bridge, estimated cost \$22,000.—The Manitoba Government has informed the promoters of the Manitoba & South-eastern railway that the Government will not give the aid asked for, but offers to assist the line by guaranteeing the bonds of the company for 20 years at 5 percent.
