Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine hefore the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. I bave used it myself with the very best success, and now when everlam troubled with a Cough or Cold, I invariably use it, I can cheerfully recommend it to all who are suffering from a Cough or a Cold, for the Croup, Whooping Cough, & all diseases tending to Consumption, and to the Profession as e reliable article.

l am satisfied of its excellence beyond a doubt, baving conversed personally with the Rev.N.B. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly

There is scarcely one individual in the community who wholly escapes, during a season, from some oce, however slightly developed, of the above symptoms-a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue The power of the 'medicinal gum' of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the vir-tues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe to heal, to relieve, and to cure disease, exists in no

other medicine yet discovered. CERTIFICATE FROM L. J. RACINE, Esq., of the Minerve :--

Montreal, C.E., Oct. 20, 1858. S. W. Fowle & Co., Boston-Gentlemen,-Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was com-pletely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence.

Your obedient servant, L. J. RACINE.

CURE FOR WHOOPING COUGH. St. Hyacinthe, O.E., Ang. 21, 1856. Messrs. Seth W. Fowle & Co., - Gentlemen - Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bettle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and

cure. You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it .- Yours, P. GUITTE.

TANNER.

FROM A HIGHLY RESPECTED MERCHANT AT PRESCOTT, C.W.

I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for congbs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits.
