

When washing calicoes, infuse three gills of salt in four quarts of water; put the calico in while hot, and leave it till cold, and in this way the colors are rendered permanent, and will not fade by subsequent washing.

There is something like enchantment in the very sound of the word youth, and the calmest heart, at every season of life beats in double quick time to it.

Friendship is a vase, which when it is flawed by heat, or violence, or accident, may be as well broken at once,—it can never be trusted after.—Lander.

INFANT HAPPINESS.—The tint on the rose is lovely but it has no such beauty as the flush on the cheek of a happy child.

If a red haired man falls in love with a girl who dislikes hair of that color, he will very likely dye before he is married.

The gravest beast is an ass; the gravest bird is an owl; the gravest fish is an oyster; and the gravest man is a fool.

A holiday of miserable men is sadder than a burial of kings.

Rev. B. P. Stone, D.D., Concord, N.H., writes—"Having made an experiment of Mrs. S. A. Allen's World's Restorer and Zylbalsamum, I can truly say it is successful. My hair, which was quite gray, is now restored to its original color. I recommend them to the public as the best articles yet discovered for the hair." Sold by all Druggists. Depot, 138 Greenwich st., N.Y.

An Englishman and a Scotchman were discussing, over the dinner table, the relative greatness of their respective countries, when the former put in what he considered a poser; "You will," he said, "at least admit that England is larger in extent than Scotland." "Certainly not," was the confident reply. "You see, sir, ours is a mountainous country yours is a flat country. Now, if all our hills were rolled out flat we should beat you by hundreds of square miles." This reminds us of the Vermonters who claimed that his State had more land to the acre than any other, because they set it up edge-wise and cultivate both sides.

NEEDLE GUN A CANADIAN INVENTION.—An Irish correspondent of the *Huron Signal* tells the same story about the original inventor of the needle gun as is told by a Liverpool journal. He says:—I may mention what will be to you a gratifying fact, this instrument is the invention of a Canadian, who accidentally discovered its superior qualities while firing a broken rifle. He came to England with it, but the invention was rejected, he tried France with a like result; in despair and almost destitute of means, he went to Prussia, where the merits of his gun were examined and found to be of such a nature as warranted the authorities in adopting it.

THE SCOURGE OF TROPICAL COUNTRIES.—Liver complaint, in some form or other, is all but universal in warm climates. In tropical America, prior to the introduction of BRISTOL'S SARSAPARILLA, it paralyzed the energies, ruined the constitution, and shortened the lives of tens of thousands of bold seers. But a great sanitary revolution is now in progress there. Blue pill, iron, and many other ancient nostrums have been abandoned, and this powerful vegetable alterative, tonic, and demulcent, has taken their place, relieving the sufferings, restoring the vigor, and saving the lives of multitudes of hopeless patients. There is no form of biliousness, acute or chronic, that it will not cure. BRISTOL'S VEGETABLE PILLS, the great cure for all diseases of the stomach, liver, and bowels, should be used at same time in moderate doses.

A MUCH ABUSED SENSE.—No one of the five senses is so frequently outraged as the sense of smell; for under pretence of ministering to its gratification charlatans abuse it infamously. They pretend, for instance, to imitate MURRAY & LANMAN'S FLORIDA WATER, the finest perfume of the present century, and disgust society with their unwholesome and disagreeable imitations. The public is requested to beware of these impositions which follow in the wake of this standard perfume, but are as unlike it as the miasma of a swamp is unlike the perfumed atmosphere of a tropic valley.

PAIN KILLER! IT IS A BALM FOR EVERY WOUND. PERRY DAVIS' VEGETABLE PAIN KILLER.

We ask the attention of the public to this long tested and unrivalled

FAMILY MEDICINE.

It has been favorably known for more than twenty years, during which time we have received thousands of testimonials, showing this medicine to be an almost never-failing remedy.

Taken internally, it cures Dysentery, Cholera, Diarrhoea and Cramp and Pain in Stomach, Bowel Complaint, Painters' colic, Liver Complaint, Dyspepsia or Indigestion.

SORE THROAT, SUDDEN COLDS, COUGHS, &c. Taken externally it cures Boils, Ores, Blisters, Burns and Scalds, Old Sores, Sprains, Swelling of the Joints, Toothache, Pain in the Face, Neuralgia and Rheumatism, Frosted Feet, Felons, &c.

The PAIN KILLER is a purely vegetable compound, and while it is a most efficient Remedy for Pain, it is a perfectly safe medicine even in the most unskillful hands.

Beware of Counterfeits. Sold by all Druggists and ocers. Prices 15 cents, 25 cents, 50 cents per bottle. PERRY DAVIS & SON, Manufacturers and Proprietors, 378 St. Paul Street Montreal, C.E. July 19, 1866.

MRS. WINSLOW'S SOOTHING SYRUP. Rev. Sylvanus Cobb thus writes in the Boston Christian Freeman:—We would by no means recommend any kind of medicine which we did not know to be good—particularly for infants. But of Mrs. Winslow's Soothing Syrup we can speak from knowledge; in our family it has proved a blessing indeed, by giving an infant troubled with colic pains quiet sleep, and its parents unbroken rest at night. Most parents can appreciate these blessings. Here is an article which works to perfection, and which is perfectly natural, and the little cherub awakes as 'bright as a button.' And during the process of teething its value is incalculable. We have frequently heard mothers say they would not be without it from the birth of the child till it had finished with the teething siege, on any consideration whatever.

Sold by all Druggists. 25 cents a bottle. July, 1866.

SICKNESS THAT HAS NO NAME.—Thousands suffer, who have no specific disease. They are apathetic and listless, eat without relish, sleep without being refreshed, and are miserable without any tangible cause. A sluggish digestion, a semi-ruptured liver, inactive bowels—are responsible for these indescribable, but not the less real and annoying ailments. To restore the inert organs to healthful activity, they have only to resort to BRISTOL'S SUGAR COATED PILLS. Dr. Benjamin Wells, of Boston, Mass., gives it as his opinion, that there is nothing comparable to them, in cases where there is a lack of vital energy in the stomach and its dependencies, and general weakness and depression are apparent, without any distinctly-marked form of disease. All who suffer from physical prostration, accompanied by low spirits, will find BRISTOL'S SUGAR COATED PILLS of immense benefit.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling.—They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. T.—1860.—X." and then got the old grange legislators to pass a law "preventing disfiguring the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are death on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer.

WHAT DID IT?—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruddy complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents.
