

Fashions do Attract a Man

A man who knows says, "Fashion could not have swayed man's taste as it ever has done since authentic history began, and in less than a century have changed the costumes of the world, were it not that in every human heart there is an innate fondness for the attractive and novel in dress. Man likes dress. He cannot help it."

HENRY A. TAYLOR, Draper, the Rossin House Block, is receiving new stock and opening up now a new range of fine imported WOOLENS in all the most fashionable weaves, mixtures and color effects in just those exclusive and fashionable lines which will be attractive, and that demonstrate the fact in the quotation above—that man is fond of handsome dress.

One is assured that in the garments made at this drapery they will have all the essentials of attractiveness, style and quality, and yet that gentlemanly quietness which gentlemen of taste must have. Visitors to the city will find HENRY A. TAYLOR an authority on good dress, and he always has the good stuff to make the good garments. He welcomes you to a consultation and inspection.

J. S. Hamilton & Co.
BRANTFORD AND PELEE ISLAND, CAN.

Mercantile Summary.

THE debentures issued by Fort William for water-works were bought by Ray, Street & Co., for \$38,000, being at the rate of one hundred and eight and one half.

ONE day last week, Duggan Bros., of Stratford, who already have a dry goods store, bought several other buildings, and propose to turn the whole premises into a departmental store.

CAPTAIN PERRY MUNRO, of Whitehaven, N.S., has been convicted and sentenced to pay a fine of \$100 and to six months' imprisonment for smuggling liquor into Canada. His schooner, the "Minnie J," was seized last month.

A St. JOHN paper says that the agent of an Ontario firm is buying quantities of Nova Scotia apples in the Annapolis Valley, and paying \$2 a barrel for them. The same man is also building an evaporating factory in Canning, which will consume the culls.

THE old established stationery business of George Horne & Co., which for nearly half a century has existed on St. Francois Xavier St., Montreal, is likely to disappear. Mr. Horne recently died at a ripe old age, and his affairs proved to be in such shape that his executors think it advisable to have the business wound up in insolvency. The liabilities amount to \$11,000, his widow being the principal creditor.—The Reeves-Upton Manufacturing Co., a private partnership, engaged in the manufacture of chewing gum in Montreal this spring, have assigned.—Eric Bissonette, a Montreal saddler, has assigned, on demand, and owes \$3,158.—E. Sauvageau, grocer, of the same city, lately reported insolvent, offers his creditors 20 per cent., cash.

RECENT country failures in the Province of Quebec are reported as follows: Frederick Kennedy, general dealer, at St. George de Malbaie, in the Gaspé district, has found it necessary to assign, with an indebtedness of \$3,800. He had previously been in business at Fox River, and subsequently for a time in New Brunswick.—A compromise is being sought by Paul Gelin, who kept a general store at Grande Mere. He owes \$4,500, of which he asks his creditors to accept 40 per cent. We recently reported him as having been burned out, subsequently assigning.—J. A. Pelletier, running a general store and cheese factory at Rivière Ouelle, is seeking to obtain a settlement at 45 cents on the dollar.—The embarrassment is reported of J. L. Vineberg & Co., clothiers in Sherbrooke, and a Montreal firm of accountants are stated to be preparing a statement. Mr. Vineberg went from Perth to Sherbrooke in 1889, eventually failing in 1891, with liabilities stated at \$15,000. The stock was then bought in for him by a friend.—A. Du Tremblay, of Roberval, who was said to have too many irons in the fire, has become involved, and approaches his creditors with the view of a settlement at 75 cents on the dollar, of \$7,700 liabilities. He is a land surveyor by profession, and has been carrying on a general store, milling and furniture-making business.

Galvanizing and Foundry Work

In addition to our extensive WINDMILL and PUMP Manufactures, we are running the above lines.
