LORD TENNYSON'S NEW VOLUME OF POEMS.

TIRESIAS: And Other Poems,

By Alfred Lord Tennyson, D.C.L., P.L. Fcap. 8vo, \$1.50.

"This volume shows clearly that England's laureate has lost none of his poetic art, and that advancing years may add fresh leaves to his laurel crown."—New York Observer.

"The publication of this volume is such a notable event in the literary world that thousands of readers will almost immediately share with the critics the enjoyment of a new volume from the hand of this master of the lyre."—Boston Herald.

"We have felt ourselves justified in calling attention to the real worth and beauty of these latest lines of his. The volume is one which all lovers of lyric verse will be glad to read and to own."—Boston Daily Advertiser.

BY MR. WALTER PATER.

Marius the Epicurean:

HIS SENSATIONS AND IDEAS.

By Walter Pater, M.A., Fellow Brasenose College, Oxford. Second edition, globe 8vo, \$2.25.

"It is with unusual pleasure we introduce this book to such of our readers as have not read it in its first edition. It is a book to be read and re-read—a book on whose every page a cultured man will find some fresh thought, some exquisite passage of more than ordinary beauty."—The Week.

"It is a rare work, and not carelessly to be read. Some exquisiteness of taste, some delight in scholarship, some knowledge of what is best worth knowing in the historic expressions of man's aspirations, and, above all, that 'inward taciturnity of mind' the reader must bring to its perusal."—Nation.

"As a study, deep and sincere, of the religious experiences of the human soul, the sketch of Marius is not limited to the heathen world in which the scene is placed, but contains the essence of struggles for belief in thoughtful minds of all ages."—Boston Journal.

"It will be remembered that it deals with the era of early Christianity, and incidentally with the struggle of the new religion against the prejudices of paganism. The polish of the style, the depth and refinement of the thought, the picturesque descriptions, and the lofty sentiment of the book as a whole make it a work far out of the ordinary current of fiction."—Boston Saturday Evening Gazette.
