

"Well! Well!"

That's the way you feel after one or two of Dr. Pierce's Pleasant Pellets have done their work. You feel well, instead of bilious and constipated; your sick headache, dizziness and indigestion are gone. It's done mildly and easily, too. You don't have to feel worse before you feel better. That is the trouble with the huge, old-fashioned pill. These are small, sugar-coated, easiest to take. One little Pellet's a laxative, three to four are cathartic. They regulate and cleanse the liver, stomach and bowels—quickly, but thoroughly. They're the *cheapest* pill, sold by druggists, because you only pay for the *good* you get. They're *guaranteed* to give satisfaction, every time, or your money is returned. That's the *peculiar* plan all Dr. Pierce's medicines are sold on.

ONE OF THE THINGS
 WE ARE APT TO GRUMBLE AT
IN FRANCE,

The providing of one's own soap at hotels!
 Permit me to remark that this is one of those things
THEY DO MANAGE BETTER IN FRANCE
 than we do here. I am strongly of opinion that every one when travelling should carry his or her own soap as one takes ones own hair-brush or sponge. It is much more cleanly, and there can be no better providing in this respect for the hot sun and warm winds and dust of travel than a cake of

"PEARS"

which, under such circumstances, I have found very efficient in the prevention of sunburn and allied annoyances.
