

PROVISION FOR ADDITIONAL PILOT

12. The Regional Superintendent of Pilots, Ministry of Transport, or the Director, Great Lakes Pilotage Staff, U.S. Coast Guard may require the assignment of two pilots to a ship upon request of the ship or when in his judgment because of anticipated long transits, uncommon ship size, adverse weather and sea conditions or other abnormal circumstances the assignment of two pilots is considered necessary for the safe navigation of the ship. Additionally, he shall direct which of the pilots is to be in charge as circumstances may require. The charge to the ship shall be one and one half the charge provided for in Sections 7 through 11. This section does not apply to a ship in a direct transit of the undesignated waters of Lake Erie between Southeast Shoal and Port Colborne unless the ship is required by law to have a registered pilot on board in these waters.

OTHER CHARGES

13. (a) No charges different from those set forth in the Memorandum shall be made for any of the pilotage services dealt with in the Memorandum.
- (b) Except with the approval of the Minister or the Secretary, as the case may be, no charge shall be made for the performance by a registered pilot of a service for which a charge is not set forth in this Memorandum.

RULES AND REGULATIONS

14. The Minister and the Secretary will respectively establish such rules and regulations as they deem advisable respecting the dispatching of pilots, the accounting for revenues and other matters to give effect to the intent and purposes of this Memorandum.

VIOLATIONS

15. The Minister and the Secretary will inform one another when it is brought to their attention that a registered pilot or dispatching office of one country has violated any pilotage regulations in the waters of the other country.

The Minister of Transport and the Secretary of Transportation further agree to recommend to their respective Governments that this Memorandum become effective on July 7, 1970.
