

## WHOSE TELEPHONE SYSTEMS HAVE THE WHOLE WORLD TALKING NOW?

One company's . . . Mitel! We sell advanced telephone systems in over eighty countries worldwide. And every system we sell is based on technology that makes leading-edge communications available and affordable for every size business and institution.

Important, people in business – all the rewards of every believes.

A Mitel telephone system will help you control and even reduce telephone costs. A Mitel telephone system will help your staff handle telephone calls and gather information more efficiently . . . more effectively.

Mitel puts technology behind you so you can stay in front of the business at hand. And that's what really has the whole world talking.

Mitel. Isn't it time to improve your reach now?
