

I have the honor to inform you of the renewed assurance to your Ministry of Supply and Services Canada that the Government will continue to support the efforts of the various departments and agencies in the area of supply and services. It is my pleasure to advise you that the Government will continue to support the efforts of the various departments and agencies in the area of supply and services. It is my pleasure to advise you that the Government will continue to support the efforts of the various departments and agencies in the area of supply and services.
