

DEPARTMENT OF STATE  
WASHINGTON

May 3, 1991

Excellency:

I have the honor to refer to the agreement between the Government of the United States of America and the Government of Canada relating to the construction, operation and maintenance of a Loran-C station in the vicinity of Williams Lake, British Columbia, with an annex, which was effected by exchange of notes at Ottawa May 28 and June 3, 1976 (the 1976 agreement) and further refers to discussions held June 28 & 29, 1989 by representatives of the United States Coast Guard and the Canadian Coast Guard.

I have the honor to propose that the 1976 agreement be amended to include an additional annex, along the lines of that which is enclosed with this note, concerning cost-sharing arrangements for the dual rating of the Loran-C station. All other terms and conditions of the 1976 agreement shall remain the same.

His Excellency

Derek H. Burney,  
Ambassador of Canada.
