Rev. Gerald J. McShane,

Montreal.

Dear Reverend McShane:-

With reference to your letter of March 10th asking me to respond to the appeal of St. Patrick's Orphanage, let me say that the small contribution I was able to make I handed to one of the Tag Day collectors. I congratulate you most warmly on the generous response to your appeal.

I would like to add that last night I saw a Company of Cadets who performed their movements most smartly and cleverly and I was informed they were "McShane's Company".

With all good wishes, I am,

Yours faithfully,
