Don't say to yourself: "Christmas is more than a week away," because your next thought is apt to be, "I can do all I have to do in less time than that." Result: you do very little for anyone.
No, if you want to do justice to the Christmas spirit within you, do all you have to do NOW. Each person that is on your mind, settle that affair today.
On Christmas morning you will have accomplished more than you thought possible. The pages we publish each day will help you solve each day's problems as they come. Read this one thoroughly and see how well it works out.
