United States Government on implements are absolutely of no value in Canada, while our reduction in this line is a very valuable matter for manufacturers of implements in the immediate effect will be to create north and south trading conditions in place of

Mr. Findlay thought it likely that east and west.

that the industry will probably not survive it. The United States packer treats his export trade to Great Britain as an opportunity to dispose of a negligible surplus. He has also treating the trade of the western provinces of the trade of the western provinces of the trade of the same way. The On-protest the ratification of the agree-table ground and Quebec packers will find the same way. The On-protest the ratification of the agree-table ground and Quebec packers will find the same with small capital in business. The unit would strike them with respect to all the same with small capital in business, "but," declared Mr.Mc-would send a fect of professions, fruit-growing, poultry, farming, manufacturing, lands, timber, menting, menting, manufacturing, lands, timber, menting, m

PROPERTIES FOR SALE.

MORE MONEY is being made by those who invest in town lots at the beginning of Western Canada's future industrial and commercial centres than in any other way. You can invest \$10.00 a month, or as much more as you wish. It is estimated that one hundred million dollars was made in the year ending July 1st. 1910, by those who had the foresight and the courage to make such investments. It's all good, clean money, too. Let us send you, free of charge, a copy of the publication: "British Columbia Bulletin of Information," containing synopsis of land, mineral, coal and timber laws, and up-to-date news of development in Canbada's largest and richest province—British Columbia. No. 527 Bower Bullding, Vancouver, B.C. So Declares J. W. Flavelle-Drop

FOR SALE—Haudsome two-storey brick dwelling. 25 x 44, nine large rooms, hardwood floors, good cellar, with cement floor, 63-foot verandah; supplied with good spring water, modern conveniences; good barn, 29 x 30; situated on a good half-acre lot in the Town of Haliburton, Ont.; cost \$2500; for spot cash I will sell at a big reduction, as I am anxious to move west. Haliburton is a splendid summer resort. W. H. Pengelly, Haliburton, Ont.

LOTS FOR SALE.

fected are the Indian and South African markets. The United States are placed on the same plane as the Canadian dealers in competing for this trade if they get free Canadian wheat.

"Wheat for export in the United States is generally quoted four or five cents above Canadian prices. Reciprocity will not mean that Canadian farmers will benefit by this difference. It will mean that United States farmers will have to take the lower Canadian prices for export wheat, and may did not may consider the competition of the competit curities Corporation, Ltd., 29 Scott-street Toronto.

the trade in the western provinces. They will for the most part lose the trade in barreled pork in Quebec and the maritime provinces and the lumbermen's trade thruout the entire Do-minion. It is not possible for the s. in its highly developed industrial canadian packers to compete against condition will act as a decided check the trade conditions under which the packer in the United States operates.

Thomas Findlay, assistant general will have neither voice nor influence manager Massey-Harris Implement in determining the buying price of all

"At the moment eggs and butter atter for Canadian manufacturers.
"We have been made the scapegoat cheaper in the United States than in Canada. Butchers' cattle are cheaper as usual," said Mr. Findlay. There has not been a change in the tariff in leading packing centres in the tory years in which we have not been that the hardest of any Canadian manufacturers. It seems on the face of it rather unfair.

There canada. Butchers' cattle are cheaper in leading packing centres in the United States in contrast to Toronto or Montreal. Hogs are cheaper in Chicago and western packing points than in Montreal and Toronto, while rather unfair. on Buffalo, which would be the governing er than Montreal. These market prices, however, are mere incidents of the moery of this class. Mowers and binders are made in the United States by one company only, with a branch in Canada. in the United States the sole determining factor

Mr. Flavelle said the government and bile have not understood the marked \$6500-NINE ROOMS, hot water heat-Mr. Flavelle said the government and yinces. Canada is now an importer, not an exporter, of eggs. We produce mestic trade created by the western present kind could benefit the farmer. Industries Retarded.

"The new arrangement will be a dis-

Trade North and South. If the proposals are approved, this mind the development of the western trade, even in the face of such a low duty as 15 per cent. No one need lakes will be imported from Chicago and western United States packing points. The eggs, poultry and dairy products required for the west will be supplied from Chicago and western united States packing points. The eggs, poultry and dairy products required for the west will be supplied from Chicago and other west-canada. ern producing centres. The advantage in freight rates and the lower first facturing house with a branch will give all the western trade will give all the western trade United States packers and dealers. In pork meats the 14c a lb. duty will pork meats the advantage in freight U.S. Concessions No Use.

The reductions rendered by the rates and lower cost of raw products and south trading conditions in place of

Market Gardeners Suffer J. McNamara, a well known Toronto market gardener, said yesterday J. W. Flavelle, speaking for the pack- the reciprocity arrangement would be ing industry, said:

"I fear the racking industry will receive a blow of so serious a character that the industry will probably not survive it. The United States backer treats his export trade to Great Britain as an exportunity to dispose of a
