sons.

The liver and kidneys must be kept active so that the blood will be properly filtered. Dr. Chase's Kidney-Liver Pills are the most effective regulators of these important organs.

They will help you to keep well and active and to do your best work.

In the education building the work of the schools will have a place, models which have arrived giving fine promise. The model kitchen, where Leony Derouet, the noted chef from Hotel Commodore, will teach the working-out of many of his 3000 recipes, is now in course of erection. It is a foregone conclusion that space about this great teacher of one of the most vital parts of domestic science will be at a premium. There will also be food demonstrations by the Women's Institutes, Macdonald Institutes of Guelph and Quebec, and

Will Be Prominent.

Something of the pleasure and profit which are to meet visitors to the great National Exhibition during the coming weeks of Canada's big fair were glimpsed by the women of the press who yesterday made a partial tour of the grounds and buildings, accompanied by John G. Kent, manager, and T. A. Russell, president.

Among the first things to strike the eye is the beauty and order of the grounds, which this year seem more

from many workers, but even in the middle of the pleasant confusion of the music of many hammers and the fatally wounded in the recent British the music of many hammers and the brisk movements of the workmes, it was a pleasant place to visit. A prominent note was the increase of space in many of the departments, while a feature that stood out with capitals in every direction was the up-to-theminute nature of the demonstrations to be given.

In the government building all the activities upon which the government is concentrating are to be located. At present only the signs and mural decorations are in evidence, but these are sufficient to indicate the nature.

Fire, breaking out thru the explosion of an oil stove in the home of John Boyle, 907 Palmerston avenue, did Boyle, 907 Palmerston avenue, damage to the extent of \$800 to the building and contents yesterday even-

ing.
Fed by the oil, the house, which was of roughcast construction, was an easy prey to the flames ,and it was only the speedy work of the fire department which prevented the houses either side from igniting. Damage to the contents was placed at \$300 and the building at \$500. The building is owned by a man in Hamilton.

WENT TO GRIMSBY BEACH.

West Toronto G.W.V.A., mothers, and daughters, and others, were host-esses yesterday at a picnic held at Grimsby Beach, and 22 returned soldiers, patients from the Spadina and central convalescent hospitals, were the special guests. Five hundred made the trip over the lake. During the afternoon the picnickers indulged in races and other sports. The com-mittee in charge of the picnic were: Mrs. Waldrum, Mrs. P. Dawson, Mrs. G. H. Gustar, Mrs. F. W. White, Mrs. Catling, Mrs. W. James and Mrs.

TORONTO OFFICERS IN CASUALTY LIST. Newmarket, Ont., killed.

MAJOR J. H. BULL, D.S.O.,

A cable received yesterday by Mrs. B. H. Bull, 3 Moredith crescent, from the Perkins Bull Hospital at Putney the Perkins Bull Hospital at Putney Heath, England, conveys the news that her son, Major Jeffrey Harper Bull, D. S. O., has been killed in action. Eighteen months ago he was home on brief and special leave of absence from the battlefields of France. In August, 1917, after his return to the front, he was wounded. Three months later he was able to resume active duties, and there he romained in the thick of it until the time of his death.

Major Bull is one of the well-known FATALLY WOUNDED

thick of it until the time of his death.

Major Bull is one of the well-known family which has bravely done its bit in the great war. He went overseas originally as captain in the 75th Batton death on Aug. 10. Coming the control of the renches he was promoted to the rank of major. At Obvistmas of that year he was for a Christmas of that year he was for a short time second in command of the

unit.

Major Jeffrey Bull, B.A., D.S.O.,
youngest son of the late B. H. Bull
and Mrs. Bull, Hawthorne Lodge,
Brampton, was educated at Broddytown public school, Brampton public
school and Brampton high school and
Toronto University, where he graduated in the class of '09. He was in

J. W. Pedley, 43 Harbord street, is re-ported wounded. He was a lieutenant in the 216th Bantams Battalion, which was organized in the spring of 1916, were aware of this when they made and trained in Toronto and at Camp Borden with that unit prior to going overseas. He was formerly a reporter on the staff of The Toronto World. Lieut. Angus G. Bell is reported as severely but not dangerously wounded on Aug. 9. Before enlisting he was with Gunns Limited, Toronto.

Captain Roy Bailey, M.C., who prior to enlistment was a well-known official of the William Davies Company, has been killed in action. He enlisted in the 95th Battalion in December of 1915, and went overseas in the spring of the following year. He was wounded during the Vimy Ridge engagement and again last February. He won his and again last repruary. He won his decoration for his heroism in rescuing many of the (athers and mothers and another soldier under heavy fire.)

Richard Skidmore Struck by Bolt From Sky, While Crossing Fields to His Home.

Three Gum-Shoe Men Attack Attendant in Early Morning.

SECURED NO BOOTY Lone Worker, With Roll in

Pocket, Puts Up Great Fight.

Wearing gum-soled shoes to deadheir footsteps and with peak caps ulled well down over their faces, three unknown men entered the resturant owned by Latif Aidin, King street and Spadina avenue, early yesterday morning, and after attack-ing and badly beating up H. Aidin,

Toronto University, where he graduated in the class of '09. He was in his third year at Osgoode Law Schoel, where he was a member of the executive committee of theliterary society. When war was declared he came home from Engand, where he had been living for three years, to join the C.E.F. In July, 1915, he joined the 75th Battalion as a supernumerary officer. In September he was made a captain and went overseas in command of "C" company.

After about a month in France he was made a major. "John Buhl" as he was known to his university contemporaries, was a member of the University Club here and of the National Liberal Club, London, England. He was a member of Ionic Lodge, A.F. & A.M., Brampton. For years he was a member of Grace Methodist Church, Brampton, where he had been president of the young men's Bible class.

A short time since Major Bull was ling and badly beating up H. Aidin, who was in the cafe at the time, made a successful get-away without any booty.

Latif Aidin, the proprietor of the day's receipts in his pocket, leaving his brother in charge. When leaving the building he noticed the time, Shortly after he had left, the time, Shortly after a moment, stated that he had no coffee and asked if anything else would do. One of the men then asked for a soft drink and when the man bent under the counter to get it the three of them jumped on him.

Put Up Great Fight.

Altho taken unawares and being without any means of protection, the

ways of several designs, small tables, clock-cases and other cabinet work. About fifty returned men, some of whom had a hundred per cent. disability, will demonstrate to the public what may be done to rehabilitate returned heroes and put them back into self-supporting civil life.

Attractive in its setting of white tents, flags and boundary marks of many original devices in stone, is the camp of the 2nd Canadian Depot Batter and its heart to cour brave lighting lads in France and lost of the work in the struggle dents, flags and boundary marks of many original devices in stone, is the camp of the 2nd Canadian Depot Batter and lost of the work in the province alone for this work, which has grown in unprecedented magnitude. IN HOUSING PROBLEM

Many Applications for Loans Received, and Further Plans Being Worked Out.

Since the announcement of the government's plan to assist in solving the housing problem, many applications have been received from municipalities.

British Headquarters in France.

Aug. 21.—Germany's military leaders now have become distinctly worried to the prospects of a prophylical design. At last night's meeting of Maple Leaf Lodge, M. U., IOOF., in the S.O.E. Hall, presided over by A. E. Bushell, N.G., the final preparations were made for the sending of the \$2,000,000 which the government is willing to advance under certain conditions. With a view to giving immers of the sending of the self-to the members overseas. There were forty-five sent, each containing cigarets, tobacco, candy, socks, etc., the funds for which are raised by voluntary contributions made by the members. It was decided that the annual bazaar in aid of the members overseas will be held in December.

WOMAN FACES THEFT CHARGE.

Charged with the theft of a quantile content of the sending of the self-to make loans directly worried over the prospects of a revolution in Germany. General Ludendofff, in a captured secret order, has taken steps to employ the assistance of his commanding officers and various governmental agencies to help him stamp out the slowing spark which has been seen. The order, which is more illuminating than anything which has come out of Germany in many months, follows:

"It has come to my knowledge thru a letter addressed to the Royal Prussian ministry of war that men on leave the content of the seen the prospects of a revolution in Germany. General Ludendofff, in a captured secret order, has taken steps to employ the assistance of his commanding officers and various governmental agencies to help him stamp out the slowing spark which has been seen. The order, which has been seen to prove the prospects of a revolution in Germany. General Ludendofff, in a captured secret order, has taken steps to employ the assistance of his commanding officers and various spectramental agencies to help him stamp out the slowing route the provincial housing committee.

In this connection, however, Sir William Hearst stated yesterday that it would be impossible to make loans directly worried over the pro

Under the scheme now being considered it will be possible to render immediate assistance where it is most urgently required, such as the smaller industrial centres anxious to beging work at once. It is hinted that it may be necessary to limit the date for receiving applications in order that a proper proportionment of the money can be made and that the government may prepare the necessary legislation to be presented at the next session of the legislature.

leave have spoken publicly of a revolution which is to break out after the mar.

"A soldier, said to have come from the industrial region of Rhenish Westphalla, declared in a train that in his home district men were going on leave, taking weapons with them for the aforesaid object and that it was easy to take home German or captured revolvers as well as hand grenades separated into two parts.

"I desire that the clothing of men
