Keng in June. The landslide was caused by a tremendous earthquake. Native accounts state that a great flood of water poured out of the mountains, carrying everything before it. Two hundred houses were swept away, and the fields swept bare of crops. Several great landslides occurred, carrying a large portion of Lune Keng into the bay. What appeared like a tidal wave followed, making it impossible for any who were carried into the water to escape.

Mr. Mitchell, Public School building inspector, has been instructed to report on the sanitary conditions of the schools and their general arrangement.

It is understood that a settlement of the difficulties with the Catholic citizens is in

sight, and that the points now at issue are of triffing character. The principal one appears to be that the School Board will not permit the wearing of any uniform by teachers, which the Catholics have insisted upon. The whole matter will be before the School Board to-morrow night, when the final arrangements may be reached.
