A  
LUX  
Shampoo  
is a real  
luxury

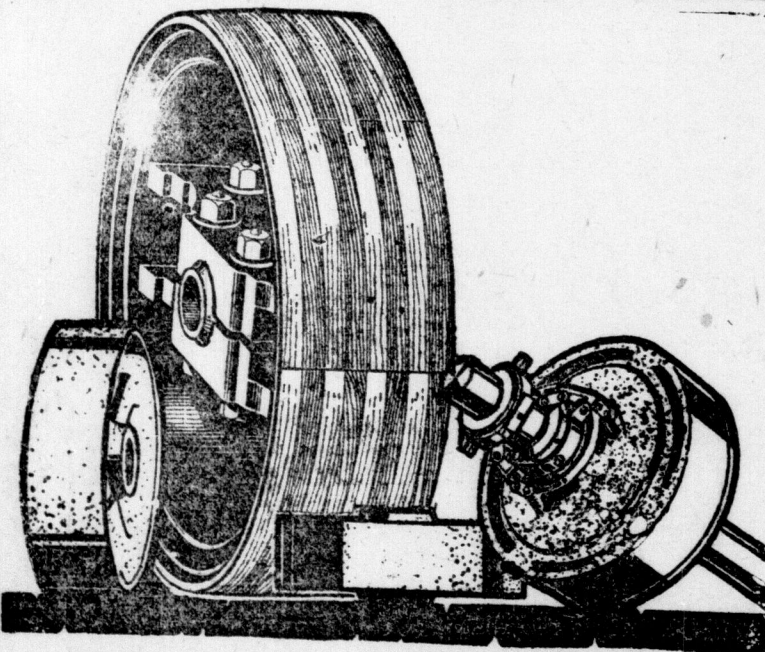

Perfect cleanliness and a refreshing stimulant for the scalp are the best of all means for ensuring hair health. In other words—try a LUX shampoo. Dissolve a tablespoonful of LUX in a gallon of very hot water, whip into a creamy lather, and then temper with cool water. Rub well into the scalp—you'll enjoy the invigorating, cleansing sensation. Then rinse thoroughly in fresh tepid water and dry the hair, in the sun if possible, never with strong heat.

Lux is sold at all grocers, department stores, etc.

A handy recipe book, "The Care of Dainty Clothes," is gladly sent free on request.

## Finishing Touches

A mind may be brilliant, but if the personality is not pleasing it may never gain an opportunity to display itself.

And, what is true of the individual, is true of the material.

That is why we insist upon every product that leaves our factory being not only efficient in the things that are not seen, but in being perfect to the eye.

For this reason, we stimulate pride of craftsmanship right through our organization.

What's the result?

First, men stay with us. Sec-

ond, they attract other good men to us. Third, they can earn better wages with us than they can anywhere else. Fourth, they enable us to maintain unequalled standards of production. Fifth, they are contented, yet progressive.

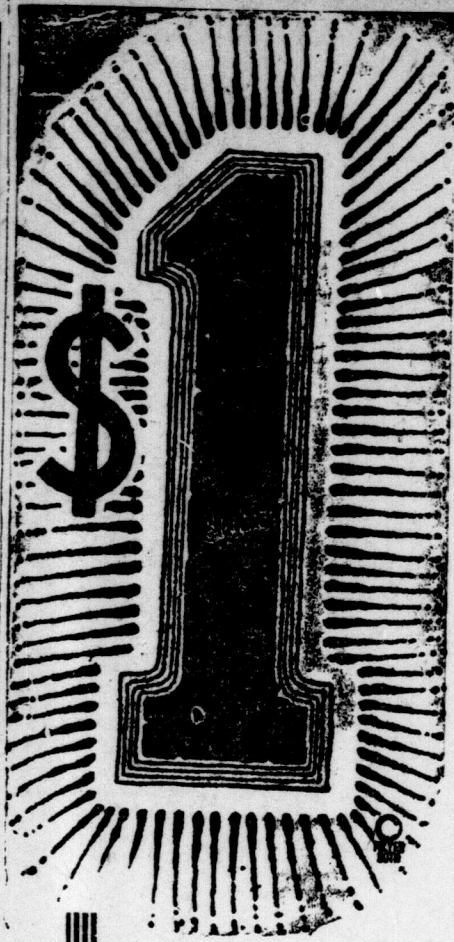

We tell you these things, because we want you to know the kind of an organization you are dealing with when you buy Dodge Transmission Equipment.

Call on our local stocker for service. He will phone or wire us any order he cannot fill from stock.

## DAYLIGHT ROBBERS GET \$3,000 FROM DETROIT COLLECTOR

Block Victim's Auto and Steal Handbag.

DETROIT, Aug. 19.—As William Baldwin, collector for the Standard Oil Company, slowed down his automobile to avoid colliding with a halting machine ahead, two men leaped from the car, pointed an automatic pistol at him and escaped with a tan leather handbag containing \$3,000, his day's collections. The hold-up took place in Spruce street near Sixth street at 4 p.m. Monday, and required less than 30 seconds.

Used Red Pepper. Baldwin, who is 27 years old, is a former soldier and a trusted employee of the company. He had made the rounds of twelve Standard Oil stations during the day, omitting three stations from his schedule. The loot represented the collections from the twelve, and was in cash, checks and oil coupons. As the robbers jumped on the run-

ning board, one of them made a move as if to strike Baldwin, who threw one arm up to protect his face. Instead of striking him, however, the bandit tore off his glasses and threw a handful of red pepper in his face. Most of the pepper lodged in Baldwin's sleeve and on his clothing, however.

The second bandit reached for the handbag, and both ran to their own machine, after taking the ignition key from Baldwin's car. A third bandit, who had been left in the automobile, had the car under motion, and the trio disappeared into Sixth street.

Pursuer is Outdistanced. Baldwin ran to the corner and shouted to witnesses to get the license number of the robbers' car, a Dodge. The chase was taken up by Guy Highland, 1117 Trumbull avenue, but Highland was outdistanced. Fully a half-dozen persons watched the holdup, either afraid to interfere or supposing it an automobile accident.

The two who boarded Baldwin's automobile were dressed in blue serge and wore caps. Baldwin described

them as about 22 years old, and the driver of their car he thought to be about 20. The license number of the robbers' car is believed to have been 50,200.

\$19,000 PAID FOR CUP GIVEN TO DRAKE BY QUEEN ELIZABETH

LONDON, Aug. 19.—The cup Queen Elizabeth gave to Admiral Drake for defeating and scattering the Spanish Armada has been sold at auction for \$19,000. It is in the form of a terrestrial globe engraved with a map of the world

as it was known in the sixteenth century. The cover is surmounted by a vase chased in cherubs, grotesque masks and fruit. It was made in Zurich about 1570, and weighs 42 ounces.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dirt, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain multifoliated coconut oil (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can't possibly injure the hair.

You can get multifoliated coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.—Adv.
