Washington I have been struck by the number of matters in which you have apparently tried to forestall my judgment by formulating action and merely asking my approval when it was impossible for me to form an 'n-dependent judyment because I had not had an opportunity to examine the circumstances with any degree independence:

"I, therefore, feel that I must frankly take advantage of your kind suggestion, that if I should prefer to have another to conduct our foreign affairs, you are ready to relieve me of any embarrassment by placing your resignation in my hands, for I must say that it would relieve me of embar-rassment, the embarrassment of feel-R. P. Coulson, who died recently. Mr. ing your reluctance and divergence of judgment, if you would give your present office up and afford me an opportunity to select someone whose mind would more willingly go along with mine."

Lansing Makes Statement.

K. P. Coulson, who died recently. Mr. Ramsden is well known around the county offices, having served twelve years in the council. Of this time he was reeve of East Gwillimbury for eleven years, and retired before the last election.

Lansing Makes Statement. Mr. Lansing, on the 12th, tendered his resignation, and at the same time

his resignation, and at the same time made a statement, which, he said, he had "prepared recently." In part, this statement was:

"Ever since January, 1919, I have been conscious of the fact that you no longer were disposed to welcome my advice in matters pertaining to the negotiations in Paris, to our foreign service, or to international affairs in general. Holding these views, I would, if I had consulted my personal inclinaif I had consulted my personal inclina-tion alone, have resigned as secretary of state and as a commissioner gotiate peace. I felt, however, that

July, 1919, Mr. Lansing continued, loyalty to the president and the administration had kept him from resigning, altho he had prepared his resignation and was waiting for a RECORD YEAR FOR VALENTINES. favorable time to present it. The let-

and I believe now that the conferences which were held were for the best interests of your administration and of the republic, and that belief was shared by others whom I consulted. I further believed that the conferences were proper and necessary in the circumstances and that I would have been derelict in my duty if I had

the circumstances with a candor compels me to say that I cannot agree with your statement that I have in good shape through the circumstances with a manded immediate action, advised you what in my opinion, that action should be, stating at the same time should be stating at the same t

February 13, accepts the resignation. **GRANT PASSPORTS**

ON PRE-WAR BASIS

Also Naturalization - Lightens Lot of Man or Woman "Without a Country."

Ottawa, Feb. 13.—(By Canadian Press).—The lot of the man or woman without a country," which was a somewhat hard one during the war period has been lightened by the deision of the state department to grant passports and naturalization to those entitled to them on the pre-war basis. During the war years when no certificates of naturalization were being granted to former United States citiens who had made their homes in Canada, there were many women. former Canadians but who had gone to the States and married Americans, then returned home as widows, who were practically without a country. on the box. 30c. United States laws required that any one having taken out naturalization papers and then gone to another country must register with the United States consul in that country within

two years. Some Passport Difficulties. homes, they found that the state de-partment here was powerless to grant ers and steel steamships. Of wooden them a passport and the American sailing vessels only two were constate department, it is said, refused to structed, both built in Nova Scotia do so. Under the new order of things, and of 747 net tonnage. Of wooden however, naturalization is being steamships, 60 were built with total granted to all suitable applicants as net tonnage of 68,522. before the war, so these women are being granted Canadian citizenship without any hitch

Affects Americans. Another class of people affected by the decision to grant passports, it is stated, are the many Americans resithe decision to describe the many Americans resident in Canada, but who had not changed their naturalization, and changed their naturalization changed their naturalization. found they were liable for double infound they were liable for doubl treasury thru that tax, and when the delegation says, is premature, as the Canadian income and business taxes old monarchical constitution still ex-became effective they were also liable ists. because of the fact that their incomes Counter-proposals claiming the rewere derived in Canada. Many of tention of the historic boundaries of to be asked when parliament opens. these men were unable to change their Hungary are set forth in the observanaturalization, even if they wished to thank done so but they also are now right to offer additional proposals free from that worry.

HAMILTON

Hamilton, Feb. 13.—Over a thousand cases of influenza have occurred here up to date. A total of 228 new cases were reported today.

W. D. Long, noted here as a mer-

chant, philanthropist and patron of art, died today after a long illness. To date, in the forward movement campaign, the Presbyterians of Hamilton have subscribed \$148,000, passing

their objective by \$10,000. The Angli-cans have attained \$150,000 in Niagara wage increases have been practically suspended until the rail properties return to the hands of their owners, March 1. It is likely that the unions will send to the White House tomorrow their reply to President Wilson's statement made to railroad labor representatives this morning.

representatives this morning.

Union officials conferred for six hours on the president's statement, but refused to divuige its contents, which were kept secret at the White expired in two days.

Prof. F. E. Buck, Ottawa, spoke before the Horticultural Society tonight on "Pleasing Home Surroundings."

(Continued From Page 1.) that organization was in its infancy. He explained that if he is elected on Monday it will not be a loss of a seat Disappointment was evident in the demeanor of the union men after the morning conference with the dent. The more conservative patience.

I to the Farmers, since he was for nine years a farmer, and is qualified to stand on that platform, and will give the U.F.O. his hearty support. Altho Premier Drury ridiculed Mr. Stephenson's scheme of having part of the Ontario legislature located nearer to New Ontario, yet Stephenson declared again tonight that he was firmly of the opinion that his scheme was the to the Farmers, since he was for nine the opinion that his scheme was the only solution for the unrest existing in the northern part of the province. It is a vast, unexploited Eldorado, and we will have to give it more recogni-tion in provincial affairs, said the pre-

of veterans that none but a returned Ottawa, Feb. 13. — (By Canadian qualified to deal with questions relative to ex-soldiers. Applause marked the conclusion of his speech.

"It is a fallacious illusion to say that the war is over for men like Stephenson, who has lost two ribs and part of a lung, and myself. The war will never be over for us. Mr. Stephenson does not come on his button. He does not represent only the soldiers, for that would be class legislation. He is eminently able to represent the entire riding on his merits

In his opening remarks, Mr. Reid said that it was only on a crisis that a Federal Authorities Want Man from a selfish man. He advised that the electors make their choice in a cool and collected manner, and proceeded to compare the war records of the two candidates in a very unfavorable manner for Mr. Drury. Much apunderstood that some changes in the plause greeted a comparison of the department of trade and commerce premier's anti-conscription policy and premier's anti-conscription policy and Mr. Stephenson's record of service at the front.
