

The girls are loth to give up the meetings for the summer. They were much pleased with the President's kind letter, thanking them and the other Branches for their kind remembrance of her silver wedding day.

H. M. SULLIVAN,
Branch Secretary.

CHURCH OF THE REDEEMER.—This Branch has had a most encouraging year, having doubled its numbers since re-organizing in October last. Seven Associates and sixteen Members now on the roll.

The early part of the season was devoted to the work of the Christmas Tree, the presents of which delighted the hearts of some forty poor little ones, of our own parish and others, their mothers sharing in the delights of the evening's entertainment and refreshments.

Since the New Year we have been working for the "Nursing at Home" Mission, three quilts and eighty-two articles of clothing being the result of our labour of love. We have also donated a quilt and \$2.00 (the result of our Lenten Self-denial Offerings) to Holiday House.

Our meetings have been held weekly. We think the social element in life essential, so devote the second Monday evening in the month to an open meeting, when the Members take part in a varied programme, and some outside friend contributes to the evening's amusement. These meetings have been most beneficial in bringing the Members and Associates into closer contact and mutual good will.

Our worthy President, Mrs. S. G. Wood, Rev. Septimus Jones, Rev. Louis G. Wood, Mrs. Wilson Lawrence, and Miss Symons, have been among the many kind friends who have thus encouraged us.

A closing evening's entertainment and a picnic were held when the Branch broke up for the summer. Both were much enjoyed and very successful.

LOUISA EVANS,
Secretary.

ST. SIMON'S.—Our Branch began work in October with a membership of thirty-seven. We have had a most happy and prosperous year, and our Members have worked most faithfully.
