Uxbridge Just Landed.  
Markham, Jan. 28.—The hockey game  
between the Markham Juniors and the Ex-  
bridge seven proved a surprise. It was  
expected that the visitors would make a  
runaway of it, but had not the poor light-  
ing, which kept the long lists of the visitors  
in the first half they would undoubtedly  
have been defeated. They score three goals  
when the lights were so poor that neither  
team could see the puck across the rink.  
In the second half, when the lights im-  
proved, the home team played them off  
their feet, and nothing but the call of  
them from their front benches saved them  
at full-time was 5 to 4 in favor of Ex-  
bridge.

## THE MARLBOROS AGAIN LOOK LIKE CHAMPIONS

Short Review of Senior Hockey  
Situation in Toronto—New  
Clubs Did Fair.

The Marlboros again look to be winners  
in the senior O. H. A. series. At any rate  
they have their district group No. 2 almost  
won. The St. Georges have been beaten  
twice by last year's champions, and are  
down and out. If the St. Georges had de-  
feated the Marlboros last Saturday night  
then the standing would show that the  
Saints and Marlboros had each won 3  
games and lost 1. The Saints would then  
have had a fighting chance. But things did  
not turn out as the Saints had expected.  
Instead of a victory, defeat was again with  
them, and as a result the Marlboros have  
their district practically won. The defeat  
of the Waveleys Saturday night gave them  
the district championship beyond a ques-  
tion.

One thing has handicapped the Saints all  
season, namely, the fact that constant  
changes were rendered necessary in their  
line up. Constant shifting of players and  
the initiation of new men always upsets a  
line-up more or less. The loss of Gray on  
the defence was a sore blow, but it could  
not be helped. This weakened the team  
considerably. Besides, the constant chang-  
ing on the forward line mixed things some.  
The Marlboros on the whole played the  
better combination game. The St. Georges  
were notably deficient in this department.  
The two new teams in the Toronto series  
have not done badly. The Waveleys im-  
proved as the season progressed, and now  
are playing pretty fair hockey. They  
should be much stronger next year. The  
Argonauts did not get together the begin-  
ning of the season; a little more system at  
the start would have worked wonders in  
their playing in the opening games; of late  
more systematic work has been taken, and  
they are now playing almost up to the  
standard of the Saints and Marlboros.  
In view of the play in the league games so  
far one need hardly state that the two best  
senior teams in Toronto to-day are the two  
old but friendly rivals, the Saints and the  
Marlboros.

## SKATING CHAMPIONSHIPS SOME CLEVER CONTESTS

Fred Robson Unbeaten in Preliminary  
Races—Summaries of  
Events.

The Ontario speed skating held  
under the auspices of the Amateur Skating  
Association of Canada, at the King Ed-  
ward rink Saturday afternoon and evening.  
were well attended, and furnished some  
close contests. In the opening event, 220  
yards, Fred Robson got away to a safe  
lead and covered the distance in 19 2/5 sec-  
onds, breaking his own previous record of  
20 1/5 seconds. Robson also captured the  
220 yard race, including the five-mile  
open and half-mile partner race.  
The only regrettable incident of the af-  
ternoon occurred on the final lap of the  
second heat of the two-mile race, when C.  
D. Heffernan deliberately struck John Roe,  
who was leading slightly. The latter  
caught him when half-way round and mix-  
ed it up, the result being that the two  
finished the course, J. Forrester and J. J.  
Heffernan were awarded first and second  
places, respectively.

These were the afternoon results:  
220 yards (open)—1, F. J. Robson, W.E.  
Y.M.C.A.; 2, Lot Roe. Time 19 2/5 seconds.

## HUNT CLUB DRIVE.

The driving section of the Hunt Club  
were favored, with the most brilliant weath-  
er for the initial drive of the season and  
everyone was delighted with the route and  
exhilarating atmosphere. The members  
present were: George Boardman, M.F.H.,  
driving Miss Mortimer Clark; Lieut. Colonel  
Williams and Mrs. Williams, Lieut. Colonel  
Peterson and Mrs. Peterson, Mr. and Mrs.  
Beatty, Mr. A. E. and Mrs. Gooderham,

## Canoe Club Notes.

A very pleasant evening was spent at  
the club rooms Friday night by some of the  
club members and their lady friends.  
Kuchre took up the first part of the even-  
ing and resulted in a very close score, Miss  
Whitten winning the lady's prize and Mr.  
Raymond the gentlemen's. Refreshments  
were then served by the house committee,  
who were very attentive throughout the evening  
and made it a huge success. Dancing  
followed and was so much enjoyed that  
many requests were made for a similar  
evening in the near future. Among those  
present were: Dr. and Mrs. King, the con-  
necore, Mr. and Mrs. Oliver, Mr. and Mrs.  
Raymond, Mr. and Mrs. Waller, Miss  
Oliver, Miss Townsend, Miss Whitten, Miss  
Lill, Miss McHardy, Messrs. J. Barron, H.  
Barron, G. Dill, Dr. Crawford, W. A. Mc-  
Nabb, R. E. Russell, F. Findlay, W. Allard  
Child, K. Chambers, C. McFarlane, S. Sym-  
on, Mr. Jones. Next Friday evening a  
musical and dance will be given and some  
very excellent talent has been secured and  
a splendid time is looked forward to by  
the members. The Canoe Club at home  
will be held on Feb. 24, at McConkey's, and  
already the number subscribed for tickets is  
large. The management is in the hands
