##### Meeting of the St. John Amateur Baseball League Held Last Evening

A meeting of the St. John Amateur Baseball League was held in the office of J. N. Harvey, the president, last evening. Mr. Harvey was in the chair. The representatives present were: Marshalls—D. B. Donald, J. Rootes, J. Bradley and H. H. Clavens; Clippers—J. McBride and D. Currie; Portlands—Herman Thorne; Algonquins—E. Seelye.

It was decided to dissolve the league and form a new one consisting of the Marshalls, Portlands, Clippers and Exmouth Street Y. M. C. A. The Algonquins were not admitted.

A meeting of the executive will be held next week to arrange a schedule and complete organization. It is the intention of the league to have the games well advertised. That the dropping of the Algonquins is open to the suggestion of a "frame up" was the opinion expressed by the manager of the Algonquins last night. The reason given him by those in attendance, that the action was prompted by the poor showing made by the Indians, and their tardiness in making an appearance at the games last season, does not hold water, he says, in view of the fact that one of the Marshalls delegates present was well versed in the history of the league, and that the dropping of the Algonquins was under way. The Indians' manager further expressed it as his opinion that the proceedings were irregular inasmuch as the Exmouth street team voted on their own application. The only proper course, he said, was the voting on new applications by the old clubs forming the previous season's league. He believed it a great pity that there should be friction, and that the start of the season should be with ill feeling. He said it would have been much better to have the games well advertised, and to have the league a good team, even asking for their line-up, than to have admitted a team of which they knew little or nothing. It was quite impossible for the manager of the Algonquins to be present, he explained, as the lateness in the arrival of President Seelye at the meeting unavoidable.

#### SAVE THE CHILDREN

##### Insure Them Good Health

Ninety per cent of children, under twelve years of age, are being poisoned and parents don't realize it.

Irregular bowels are the chief cause. You parents know that your bowels should move every day. You know you must be as regular as clock-work, or the blood will become tainted.

Don't you realize that the children must be as orderly in getting rid of the waste matter of their system?

Then, if you find that any of the little ones go two or three days without action of the bowels, don't run to castor oil, senna tea, calomel, cascara or harsh "liver pills." These simply purge the child—strain the bowels.

"Fruit-atives" are the ideal medicine for children. They are fruit juices and tonics in the form of a pleasant tasting tablet. "Fruit-atives" stimulate the liver, causing more bile to flow. It is the bile, given up by the liver, which moves the bowels. "Fruit-atives" regulate the liver and bowels, and thus completely cure constipation. They sweeten the stomach, and are the finest tonic in the world to build up the system and make children plump and rosy. 50c. a box—six for \$2.50. Sent on receipt of price if your dealer does not handle them. "Fruit-atives" Limited, Ottawa, Ont.

### THE RING THE TURF

#### TREMBLAY TO MEET AKERMAN

Montreal, April 15.—Akerman, one of the best lightweight wrestlers in the United States, will wrestle Eugene Tremblay, the world's champion, at Schermer Park next Friday night, for the championship, and one of the most strenuous contests of the season is expected.

Tremblay and Akerman have met in Montreal on a former occasion, but when the bout had gone for about twenty minutes Akerman broke one of the small bones in Tremblay's arm, laying the local man up for repairs for a considerable length of time.

It was claimed at that time that Akerman was too good for the champion, and that over inducements have been held out to Akerman to come to Montreal and once more try conclusions with the French-Canadian wrestler.

#### CHARLIE PETCH TO TAKE A CHANCE

Toronto, Ont., April 15.—It is said that Charlie Petch, the young Toronto runner who made a fine showing in last year's Boston Marathon race, intends to run in the same event this year, although he would put an end to his competing in amateur events again in his own country.

#### WELL-KNOWN HORSEMAN DEAD

Philadelphia, April 16.—William W. Bair, who trained and developed the famous trotting mare Maud S, and drove her to the record of 2:08 3/4, died here yesterday, aged sixty-nine years. Mr. Bair was one of the best-known horsemen in the country. He purchased Maud S in Ohio as a two-year-old for \$300. Her record of 2:08 3/4 to a high-wheeled sulky has, it is said, never been beaten. After the mare made the record she was purchased by William H. Vanderbilt for \$21,000 and was later sold to Robert Bonner for \$40,000, and retired from the track.

#### GEORGE DIXON MEMORIAL

New York, April 16.—The Times today says that plans were approved yesterday by the art municipal commission permitting the Society for the Prevention of Cruelty to Animals to erect a memorial fountain to George Dixon, the boxer, in the little square at Horatio street and Eighth avenue.

"In memory of George Dixon, erected by his friends, 1908." The fountain will cost \$1,500, contributed by friends of the late negro fighter. The fund was turned over to the Society for the Prevention of Cruelty to Animals, as that society is supervising the erection of many fountains.

The Algonquins intercepted won a hard victory in basketball last evening when they defeated the Exmouth street Tramps by a score of 14-12. The game was close and exciting and the result was in doubt until the last minute of play.

### AQUATICS WRESTLING

#### FOOTBALL BURST; GAME WAS SPOILED

What promised to be a very lively game of association football on the Victoria grounds last evening between teams from the Empire of Britain and the Cornwall and York cotton mills was terminated soon after it began by the bursting of the ball. The game will be finished this afternoon.

The big game between the men from the mills and from McAvity's will take place Friday afternoon at 2.30.

#### MONTREAL WINS AT HOLYOKE

Holyoke, Mass., April 15.—Dr. Jimmie Casey and his bunch of Montreal athletes struck the home team Monday as the most difficult proposition yet encountered this season. The Montreal crowd worked like beavers, and outbatted, outfielded and outran their opponents. The batting by Casey's outfit was a little scattered, otherwise there would have been several runs more to record. As it was, Madigan seems to have got his eye on the ball as closely as in his best days, while Louden, a new man to the Eastern League, is hitting some too, both men getting a brace of two-baggers, while Doc Casey cracked out three singles. Corcoran walked one over left field fence for a homer in the fifth, and all the visitors when on base showed good form.

#### HACKENSCHMIDT IS NOW IN ENGLAND

London, April 15.—Hackenschmidt's followers here could not, of course, rest until they had the story of the Russian's defeat from his own lips. They received this yesterday on his arrival at Plymouth on the Kaiser Wilhelm der Grosse. Pale, and bearing many traces of his encounter with Gotch, he said:

"I blame myself for not training enough, because it would not seem mainly to look for an excuse, but the real fact is that Gotch was sealed in oil, and I couldn't grasp him, much less use my favorite grips and locks. I think he must have oiled himself at least four months before the match. His finger nails were as long as mine, and he cut me like knives. This wouldn't have been allowed by a fair umpire. I wanted a New York umpire all the time, but the Chicago people insisted on a Chicago man, and I had no alternative."

The newspapers manifest much sympathy for "Red Hack," as he is affectionately called, and predict that he will retrieve himself on next meeting Gotch.

#### MAPLE LEAF'S BIG SCORE AT LANCASTER

Lancaster, Pa., April 15.—The Maple Leafs of Toronto ran up a cricket score against the local team here Monday, getting 21 hits for 16 runs, to which Lancaster mustered up a single solitary run.

Toronto's fielding was careless, while Deal, Lancaster's first baseman, was responsible for two mistakes.

With the exception of the ease with which Gettman and Schaffly touched up the Lancaster pitchers, the game was featureless.

#### LOTS OF ENTRIES AT HARTFORD'S CIRCUIT

Montreal, April 15.—Graduated entrance fees for trotters at Hartford's grand circuit meeting have given the association there a record-breaking entry list for the \$10,000 Charter Oak race on Labor day. The contest is for horses of the 2:09 class, and fifty-five have been named to start.

#### WILSON AND MCGARRY

Montreal, April 15.—Bob Wilson, the local lightweight, will meet Ambly McGarry, of New York, in a six-round bout at Astor, N. Y., next Monday night. The local boy was not feeling in good condition when he met Billy Ryan at Montreal, but expects to give a good account of himself against McGarry.

#### SUTTON DEFEATS HOPPE

Akron, Ohio, April 16.—George Sutton, the Canadian billiard expert, and challenger for the I.S.I. championship, defeated Willie Hoppe, of New York, the I.S.I. billiard champion, last night, by a score of 200 to 244 in an 18.5 exhibition game.

### LOCAL GOVERNMENT FILLED MANY OFFICES

At the afternoon session of the government, a delegation from the Milk Producers' Association of Kings county, the St. John Board of Health and the St. John Medical Society was heard with regard to the inspection of milk. The delegation was introduced by F. M. Sproul, M. P. P. After a full discussion it was agreed that amendments should be introduced into the act to make the inspectors of herds dairy inspectors as well. While this change will more particularly apply to the city of St. John, it will be applicable to the whole province.

A large delegation from the St. John Exhibition Association was heard with reference to the regular grant of \$5,000 which was promised by the late government. A question of dates had arisen because the St. John and Chatham exhibitions were arranged for the same week. Among the friends were: Richardson, president, B. R. Macaulay, R. B. Emerson, R. O. Brien and W. W. Hubbard, manager. The government promised an answer at an early date.

A delegation from the school teachers, consisting of J. Frank Owens, W. J. S. Miles, W. M. H. Bridges, and Dr. H. S. Bridges, asked the government to grant pensions to teachers of thirty years' standing.

The members of the government expressed themselves as in full sympathy with the request. It was, however, pointed out to the delegation that it would be impossible to deal with the matter before 1909, as during the present session the government would not be fully in touch with the financial position of the province.

The government will meet again this morning.

Premier and Mrs. Hazen entertained the members of the cabinet and the St. John members of the Legislature informally at dinner last evening.

#### THE LATE THOMAS O'LEARY

The following particulars of the death of Thomas O'Leary, are taken from yesterday's Bangor Commercial: "While answering the alarm from Box 224 Tuesday forenoon Thomas J. O'Leary was stricken with heart disease and died almost instantly. The alarm was for a slight blaze on Sydney street and Mr. O'Leary, who was a member of Hose 2, was hurrying to the scene when he was observed to fall. Medical attendance was at once summoned, but the unfortunate man lived but a few minutes. He leaves a widow and two daughters and a sister in St. John, in which city he passed his younger days."

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

"No drinks for drunks" is the order which will be enforced rigidly among saloon keepers of Butler, Pa.

## "SPRING FEVER"

The need of a spring medicine seems to be universal. This is due to the fact that during the winter the blood becomes impure on account of the hearty food eaten. This causes that tired, weary, all-gone, don't-care-to-work feeling which is so prevalent at this time of year.

## BURDOCK BLOOD BITTERS

### THAT TIRED FEELING.

Mr. F. H. Leard, Seabrook, Sask., writes:—"I have used Burdock Blood Bitters as a spring tonic, and I find it the best thing I can take. It builds me right up and I use it every spring. It is excellent for that comes to so many at this time of year."

### USES IT EVERY SPRING.

Mr. H. Langley, Hamilton, Ont., writes:—"I have used Burdock Blood Bitters as a spring tonic, and I find it the best thing I can take. It builds me right up and I use it every spring. It is excellent for that comes to so many at this time of year."
