

retary and Treasurer, *ex officio*, were named as a committee to arrange the programme and carry out the matches.

Lt.-Col. Lyman and Major Bond, (with power to add to their number) were appointed as a committee to collect subscriptions in money and kind for the matches.

Capt. Balfour offered several suggestions, which were referred to the sub-committee on the matches for consideration and action; the suggestions were as follows:

That a change be made in the skirmishing match; that the position at 200 yards be standing; that badge winners be allowed free entry in the Association match.

It was moved by Capt. Balfour, seconded by Lt. Hood, and resolved that uniform be compulsory only in Battalion and Skirmishing matches.

It was resolved that the number composing the battalion teams this year, be increased to eight officers, non-commissioned officers or men.

It was also suggested, that one Battalion team from each country Association be allowed to shoot in the Battalion match; this was intended to assist those Associations which are mainly composed of one battalion, though not bearing that battalion's distinctive name.

It was decided not to change the small bore match and to try to reduce the cost of printing by advertisements.

In reference to the choice of the Provincial eight at Ottawa it was agreed that the members of Council, present at the Dominion matches, be authorized to form a committee to select the team from the competitors, using their own judgment and not necessarily taking the first eight aggregates.

It was resolved to issue a circular to affiliated Associations and others, informing them of the proposed changes.

The Treasurer was authorized, in settling with last year's collector, to allow him the remuneration he considered fitting.

The meeting then adjourned.

E. W. MUDGE, MAJOR,
Secretary.
