BEGIN CLEARING THE WATER MAINS AT FIRST OF NEXT WEEK

The work of cleaning the city water mains under the new contract recently entered into will be begun on next Monday. THIS MORNING'S SESSION OF BOYS WORK CONFERENCE

Addresses, With Discussion, on Sunday School Procedure, Organization and Mid-week Meetings

The morning session of the leaders' conference in connection with the Canadian Standard Efficiency tests was organized taken up with discussions on organization; Sunday programme and the mid-week meetings.

At 9 o'clock the session was opened with prayer and devotional exercises and the singing of hymns. Rev. W. A. Rose, general secretary of the New Brunswick Sunday School Association, led in a discussion on "organization." He told of the necessity of organizing thoroughly and of the advantages of organization, especially for the young man. With good organization among boys, there was the advantage of fellowship and the distribution of responsibility. Plans, means and methods of organization were suggested in the discussion.

Rev. L. W. Williamson then led in the discussion of the Sunday programme in the Sunday school. Every class of a boy's organization, he said, must belong to a Sunday school.

Discussion, with varied opinions as to the length of the Sunday school period, was engaged in by those present. The practice of breaking in on the procedure of the lesson with announcements should be abolished, said the leader. "There is too much time wasted in Sunday schools today with no practical results." The school spirit was absolutely necessary in a Sunday class. The vital thing in any Sunday school was the conversion of time and the study of God's truth; everything else was of a minor consideration.

It was generally agreed that the lesson period should be a discussion rather than a sermon by one individual.

Rev. T. H. Hutchinson next led in a discussion on the mid-week programme. He explained the advantages thereof, saying that religion was something that was an every day activity, and also from a social standpoint there should be meetings of the class through the week.

Mr. Hutchinson said that the test should be made the week following the preparation. The test takes many weeks and a regular course is followed, as laid down in the programme. If difficulty is met with in the choosing of men for the talks, women can be invited.

The session was brought to a close by prayer led by Rev. F. S. Dowling.

Today at the noon hour luncheon in the advisory committee met and the various sub-committees were chosen to look after their part of the work. The committee will consist of a minister and a layman from each denomination.

At the afternoon session Rev. C. A. Myers will talk on "Enlightening and training leaders," while Rev. Frank Langford will deliver a sermon on "Religious Revival."

This evening the conference for the boys will open with the arrival of the boys today at 7:30 o'clock. The standard efficiency test will be presented to the boys.

FROM GORDON PINNEY

The following letters have been received by Mrs. John Pinney, East St. John:

Oct. 11, 1916.
Epsom Com. Hospital
Division 8, Hut 8.

Dear Mother—Just a few lines to let you know I am back in Epsom once more, how long I don't know. I expect will be about a month. It is the same old place, just as I left it in the spring. They do not keep a man in hospital unless it is a serious case, as they are all kept filled while the big push is on; but leave it to us to do, and make a name which they will share in time to come, while the men who make it pay the supreme price. Well, I must close this sermon. Hoping this finds you all well at home, as it leaves me, your loving son,
GORDON.

Also the following:
Oct. 12.
Dear Sister—Just a few lines to let you know I have just received the sad and terrible news of Frank's death. It came as a great shock to me, even though I was prepared for the worst. I only hope that you all at home will not grieve too much. Try and look at it in this light, that it was an honorable end and that he did his duty, for he often told me he would sooner die than leave it to us to do, and make a name which they will share in time to come, while the men who make it pay the supreme price. Well, I must close this sermon. Hoping this finds you all well at home, as it leaves me, your loving brother,
GORDON.
