NEW MOTOR ENGINE AND CHEMICAL CRASH

Apparatus Collide on Way to Fire—E. S. S. Company Warehouse and Contents Damaged

The warehouse of the Eastern Steamship Corporation and some of its contents at Red's Point were damaged by fire last night to the extent of about \$10,000. An alarm from box 41 brought out the department and the firemen fought the blaze for fully three quarters of an hour before they were able to extinguish it, as the cotton, fish nets,

furniture, and other things in the warehouse were ready fuel.

While on the way to the fire the motor apparatus, driven by Edward McKinnon, collided at the corner of Duke street with the chemical engine, driven by "Larry" Mahoney with a terrific crash. Mahoney managed to jump from the seat and, quickly going to his horses, pacified them. McKinnon was thrown off his seat in the sudden stop to which he brought the truck, which was smashed in front and the mechanism of the combination put out of commission. McKinnon thought Mahoney intended to continue down Charlotte street. A hook and ladder man, Harry Burns, had his ankle sprained.

As a result of the Salvation Army self-denial week this year \$77,915 was raised. Last year the amount raised was \$71,809.

Yes! Where Are They?

(By F. W. Stringer, Recruiting Sergeant)

Where are the boys of the old brigade? Where are the sons of St. John's four hundred? Where are the sons of the Loyalists? Where are the clean well-built youths in which this city abounds? Not hiding surely! It must be clearly understood that this is not an army for the convenience of out of work and social misfits. This is an empire and home defending army, and the finger of duty is pointing at ALL men of ALL classes. Duke's sons, Cook's sons, sons of the millionaire (so quote Kipling) who are between 18 and 46.

No one is above it, no one is "too good," to be a soldier in this changing army. You are not immune because you happen to be a little polished and can move within your little circle of ease and comfort; it is for you and your welfare that the gallant boys of St. John are going to lay down their lives, but ask yourselves, Why should they? Have they more to lose than you? Not but they have realised their duty and enlisted! The influence may take longer to reach you men of the "superior" class but it is hoped that it may be felt soon. When you will rise from your position of ease and indifference under to resist the call. When our lads march through the streets off to the field of glory, will those eligible young men shout and cheer, or will they turn their heads away in shame?

And when at last the brave lads return will they turn out to cheer them or will they hide indoors until the reception is over? Don't you see how this applies to every eligible man in this city?

For the sake of humanity! For the sake of the good old Maple Leaf, Wake up! Let the man that is within you have breathing room. Don't stifle that British instinct of noble manliness any longer. We want you. Will you come? Many young men here are inclined to enlist but are a little nervous about the medical examination. Now men, let me tell you there is nothing to be shy about. Remember the same courage which brings you to the medical officer is the same courage that makes the soldier. The examination is slight. It takes only three or four minutes. If you can read well without glasses you need have no fear the medical officer will cordially welcome you. These are not the days to be shy. These are days of courage and sacrifice.

The recruiting office in Mill street is interestingly decorated and the recruiting sergeants will be pleased to talk with you. Office open all day from 8.30 a. m. to 9.30 p. m. Telephone Main 2447. All particulars cordially given. Come to the office of the Empire, your duty is clear. Sling aside the trappings—Since it is a butterfly life, and take up a manly vocation because your country is in trouble—because your country calls.

NEW FEATURE IN THE FRANK CASE

Judge Who Presided at First Trial Wrote, Before he Died, Testimony to Doubt as to Prisoner's Guilt

Atlanta, Ga., June 2.—When the hearing of Leo M. Frank's application for commutation of sentence from death to life imprisonment began before the Georgia Prison Commission, counsel for Frank will present a letter written by the late Judge L. S. Ross, who presided at the prisoner's trial for the murder of Margaret Preston.

It became known that this letter in which the judge was understood to reiterate his doubt as to Frank's guilt, and urge executive clemency, was entrusted to Luther Z. Rosser of Frank's counsel. It is said to have been written by the judge just before his death to be placed before the prison commission in the event the case ever reached that body.

It is estimated that the hearing will occupy not more than two days, and the commission is not expected to hear Frank personally. In addition to arguments by the prisoner's attorneys, it is expected that spokesmen of delegations from several Georgian cities and from Chicago, Boston and possibly other points outside the state, will be granted time for oral pleas in Frank's behalf.

Trouble Started On Board Ship

WELL KNOWN NEW BRUNSWICK MAN FELL IN A FAINT

Suffered for Years—Afterwards but Finally Found Relief and Permanent Cure in Dodd's Kidney Pills.

Melrose, Westmorland Co., N. B., June 1st.—(Special)—R. S. Clarke-Lewis, a member of a well known New Brunswick family, has made a statement for publication which deals with his cure of a very complicated case of Kidney Disease by Dodd's Kidney Pills.

"The first intimation I had of Kidney trouble occurred while on board the steamship on my return from England fourteen years ago when I fell in a faint on the floor.

"After my arrival at St. John my health became poor and I lost thirty pounds in weight. After year after year of suffering I suffered from heart trouble and nervousness and I became irritable and dyspeptic. My sight troubled me and my walk was unsteady as I suffered from dizziness.

"Reading a circular led me to use Dodd's Kidney Pills and Dodd's Dyspepsia Tablets about June, 1913, and my improvement began at once. My back aches came back in my legs, the dizziness left me, my bowels became regular, and by New Year's, 1915, I claimed I was cured of Diabetes.

"I would not be without the Dodd's Medicines on any account."

INSPIRING LETTER FROM HOSPITAL AT FRONT

Sister in Moncton Learns of Work at La Touquet—A Call to Arouse Patriotism

The following is part of a letter received recently from J. S. Walker, Quartermaster in Col. Shillington's No. 2 Stationary Hospital, to his sister, Mrs. D. R. Chandler, Moncton, in connection with the hospital work there.

"The wards number eighteen. Those in the main building are named after the nine provinces of the dominion, the remaining in our tent hospital, situated on the grounds are called after the leading cities. The Canadian Red Cross Society and various branches of the Daughters of the Empire have generously contributed many comforts to us, including one cash donation from New Brunswick of \$1,000 alone to be set aside for the ward so called after them. At the present time the outlook for an early termination of the war is not very favorable. We have already a number of our own boys of the first contingent in the hospital since the gallant action in which they made their famous dash in recovering the guns and trenches from the enemy at Ypres. Apart from our own boys from the La of the Maple Leaf, many of our patients are Tommyes, who have fought so steadfastly for their king and country in the horrible conflict that has been waging.

herst to take a position in the Hewson Woolen Mills. After about eighteen months' employment in the mills he decided to enter the ministry. He was unanimously granted a license to preach by the First Baptist Church and went to Wolfville to continue his education. As a student Mr. Bloose has made rapid progress. He maintained a high standing in the academy and graduated with distinction at the recent closing exercises. He was the winner of the H. M. Black prize, given to the student making the highest average in English during the year. In addition to winning this distinction, Mr. Bloose was also chosen as valedictorian of the graduating class—a tribute to his standing among his fellow students.

Mr. Bloose has recently received a call to the Baptist church at Port Medway, Queens county. It is understood that he is giving the call consideration. His many Amherst friends will be interested to hear of his future success.

THE LOG DRIVES

Practically all of the logs on the Miramichi are now in safe waters, and will be brought to the mills.

Tables are to be put upon the Scarborough buildings which were hit, commemorating the bombardment.

accompanied by Premier Murray, arrived at the pier to say farewell to Colonel LeClerc, officers and men. Later they extended, on behalf of Nova Scotia, good wishes and congratulations to Col. Gaudet of the French-Canadians. The visitors were received by General Ruthenford and staff and escorted to the ship. When the 22nd Battalion arrived from Amherst at 4 o'clock that afternoon the sides of the cars contained the following printed both in English and French: "Berlin in August or Bust."

The cheering as the troopship left the pier was deafening and those on the pier sang Auld Lang Syne, O Canada, and other similar tunes, to which the volunteers responded. The National Anthem was sung as the ship commenced her voyage.

The Best Treatment For Constipation

The Experience of One Who Knows and Places Dr. Chase's Kidney-Liver Pills First

It is not difficult to secure a medicine that will effect movement of the bowels. To cure Constipation and the complications which arise from it is another matter.

Constipation of the bowels is usually preceded by torpid action of the liver. Hence it follows that if Constipation is to be cured the liver must be set right. And here lies the secret of the success of Dr. Chase's Kidney-Liver Pills. They awaken the action of the liver; and the bowels are invigorated and regular, and the troubles with the digestive system disappear.

Mr. H. M. Bell, Innisfail, Alta., writes: "For some considerable time I have been using Dr. Chase's Kidney-Liver Pills, which I have obtained through your firm. I suppose during my life I have used nearly all the best-known pills, as I have been subject to Constipation and digestive troubles. A friend recommended Dr. Chase's Kidney-Liver Pills, and I can honestly say that of all the pills I have tried nothing has suited me better—no griping—action always insured, and fine for the kidneys. This is how I have found them after a thorough test, and you may use this statement if you like."

This letter should convince you of the merits of Dr. Chase's Kidney-Liver Pills, and that there is nothing like personal experience. If you do not feel like risking 25 cents for a box, write to us for a free sample box, mention where you saw this advertisement. Put this medicine to the test when you have indigestion, flatulency, biliousness, headache or kidney derangements. The results will soon prove to you the superiority of Dr. Chase's Kidney-Liver Pills. One pill a dose, 25 cents a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto.
