Annual Report Gives Review of Much Done During Year

FINANCES GOOD; LIABILITY LOWER

Endowment Fund Established—Review of Year in Departments Given

The 50th annual report of the Y. M. C. A. will be read this evening at the annual meeting at the "Y" building, starting with a supper at 6:30, followed by a business meeting at 7:30. The report shows 1,100 members on April 30 and states the year has been very successful in the work and in finances.

The chief speaker of the evening will be Harry Ballantyne, of Toronto, general secretary for Canada.

YEAR REVIEWED

The annual report, signed by the president, W. R. Pearce, and the secretary, A. M. Gregg, records changes in the building, including the enlarging of the billiard room, the installation of a new lighting system in the rotunda and a considerable amount of painting. Dealing with the boys' department, it says that many of the leaders today are men who as boys went to the boys' department and participated in its activities. The "Find Yourself Campaign" marked the beginning for a group of 25 boys of a process of friendly counsel with an adult of experience. Many boys received real definite help. The annual camp was attended by 32 boys. Equipment was provided through the efforts of the Y's Men's Club which proved a great asset to the Regular social and educational efforts and Bible study had been conducted through organized groups. While the greatest work of the year was the building of a foundation, being made, which made it easier each year.

RELIGIOUS WORK

It has been the constant aim to keep before the membership the fact that the work of the Y. M. C. A. is definitely a religious work. No matter whether it be physical, social, educational or of definitely spiritual nature, all four aspects of the program tended to help boys and men realize this. The year opened with a religious work conference of a group of the directors and the staff at the Cedars. The Sunday evening Fire-side Home Hour was continued each Sunday after the church service. The Y's Men's Club has provided special soloists while the Other Y's Club have been the welcoming committee and looked after the refreshments.

In Sunday morning services very definite progress had been made. The average attendance had been 55 an increase of 30 over three years ago and 10 over last year.

MENTOR'S TRAINING GROUP

In co-operation with the Boys' Work Board, a training class had been held weekly with Rev. F. Bertram as instructor. While the attendance had been small, each member of the class was actively engaged in social, physical work and therefore the influence was felt by a larger number than it would seem.

PHYSICAL DEPARTMENT

The most important events had been the school boy athletic meet, the free swimming campaign, the gymnasium exhibition and the New Year's festival program. The free swimming campaign enrolled 240 boys. The school boy athletic meet had 115 entries. The New Year's day display was the most largely attended for many years. For the annual exhibition more than 1,000 tickets were sold.

The track team had continued to do honor to the association and at the Dominion Day meet at Sussex won the Pedlar trophy for the third successive season. This cup now becomes the permanent possession of the association.

The association was also represented at the Maritime championships at Charlottetown and the Canadian championships at Halifax, as well as the June 3 sports at West Saint John and the indoor championships at the Arena during the fall.

Y'S MEN'S CLUB

The Y's Men's Club completed its first year of service in March. Its service activity had included Sunday services and concerts at the County Hospital, the providing of a camp equipment for the boys' camp, entertainment of the new boys assisting in the financing of the track team, helping in providing music for the Y. M. C. A. orchestra, arranging for the special musical features for the Sunday evening sing songs, the beginning of a fund that will permanently establish the boys' camp, the conduct of the membership campaign. Thirty-one of the 37 members were canvassers in the recent finance campaign. There have been a large number of club activities outside of the weekly luncheons.

OTHER Y'S CLUB

In January a new service club which had taken the name of the Other Y's Club, was organized through the efforts of a committee of the Y's Men's Club. This club is composed of young men from 18 to about 25. Their objectives are similar to those of the Y's Men's Club, that of service. The organization, however, is more elastic, there being no classification. Although organized only four months, it had proved itself worth while. Among the service tasks accomplished had been the welcoming of strangers at the Sunday evening home hour service and looking after the refreshments, the holding of a rummage sale, the carrying out of an athletic night for the South and East End boys' clubs, and the building of table tops for use at large supper gatherings.

Dealing with work at the winter port the report says that 27 steamers with a total of 18,807 passengers were met and 286 introductions were sent to associations in other places.

WILL ADD MORE THAN 200 TO THE BOARD OF TRADE

Campaign To Increase Membership Success, So Far, Report Today

"We will get more than the 200 new members aimed at during the campaign if all the teams have as good success as the few who have completed their work and turned in their reports," A. L. Foster, chairman of the membership committee of the Board of Trade said at noon today when asked how the campaign was progressing.

He said that a few of the canvassers would be unable to complete their work until tomorrow. The men all reported having met with a cordial reception and they found the great majority ready to join hands with the Board in its efforts to aid the city and to encourage in its citizens a true community effort.

F. MacIure Scanders, commissioner, said last night that he believed the Saint John Board of Trade was the only one on the continent that had existed for 19 years without an annual membership campaign and the fact that it had been able to carry on for that length of time with no membership drive, he held to be indicative of the real spirit of loyalty to the city which he has found animated the people of Saint John.

What grumbling is done he has found is grumbling at the adverse conditions affecting the Maritimes which the Board of Trade is persistently combating with steadily growing success.

NEW SPIRIT OF UNITY

As an indication of the new spirit of unity, to be found in the three Maritime Provinces, Mr. Scanders spoke of having received a telegram from the Halifax Board of Trade yesterday informing him that a message had been sent to the recently formed Dominion Board of Trade from Halifax urging that the first convention of the Dominion organization be held in Saint John.

While today will be the final day for the Board of Trade membership campaign in Saint John, Mr. Scanders did not expect that the full tally of the membership roll would be made up before Friday of this week as some of the canvassers might have "clean-up" work in revisiting prospective members who had not been in their offices when first called on.

SHOP DOOR OPEN

Soon after last midnight the door of a meat market in Prince Edward street was found unlocked by Policeman Covey, who secured the same with a padlock.

HOLD RUMMAGE SALE

The Ladies' Aid of Centenary United church, are holding a rummage sale in the Sunday school room this afternoon, beginning at 2:30 o'clock. The conveners are Mrs. E. W. Paul, and Mrs. Frederick T. Barbour, assisted by members of the aid. The proceeds will be used for church purposes.

POLICE FINDS

A large siltion wrench was found on the South Market wharf yesterday by Policeman Coughlin. It is at the police station. A long iron chain was found in Water street yesterday by Sergeant Baxter and is at the Water street lock-up.

BIRTHDAY PARTY

Mr. and Mrs. Angus Viger, Church Avenue, Pictou, entertained about 30 young people at their home last evening in honor of their daughter, Miss Dorothy, on her 17th birthday. She was the recipient of greetings and many dainty gifts. A delightful evening was spent in games, music and dancing. Fred Morrow furnished music for dancing. The supper table was centered with a decorated birthday cake, which was illuminated with 17 pink and white tapers. Mrs. James Donovan and Miss Margaret Donovan assisted the hostess in serving delicious refreshments.

Fairville W. M. S.

Has Good Meeting

The W. M. S. of Fairville United Church met at the home of Mrs. O. D. Hanson, yesterday afternoon, Mrs. J. J. Pinkerton presiding. She spoke on "Christian Stewardship." Mrs. Edward Kirkpatrick, superintendent of Christian Stewardship, led a program which included the subjects: "Our Money—time—talents, and heart's devotion." Items on each were read by Mrs. Arthur McColgan, Mrs. H. M. Stout, Mrs. William McCavour, Mrs. Kirkpatrick and Mrs. Pinkerton.

It was decided to continue the studies from the "Watch Tower," and the following were assigned the following countries: Mrs. William McCavour, China; Mrs. J. J. Johnston, India; Mrs. H. M. Stout, Africa; Mrs. Arthur Long, Japan and Mrs. W. J. Linton, Canada.

Delegates appointed from the auxiliary to attend the Presbyterial are Mrs. Pinkerton, Mrs. Dane Crosby and Mrs. Arthur McColgan. At a previous meeting Mrs. Harper Henderson was appointed recording secretary. Mrs. Arthur Long was the accompanist for the singing of hymns yesterday.
