CANADIAN CLUB PLANS

At a meeting of the executive of the Canadian Club held yesterday in the Times building, it was reported that the club had been rather unfortunate lately on account of the fact that several speakers booked to speak had been prevented from coming to St. John, but that the future prospects of the club were brighter.
It was announced that the next speaker would be Joseph A. Chisholm, K.C., of Halifax, who will address the club on November 11, giving an appreciation of Joseph Howe, and a sketch of his life. Mr. Chisholm has written the life of Howe and edited his letters, and is therefore one of the greatest authorities on the life of the great statesman.
Other speakers who may be heard during the winter are Hon. J. D. Hazen, on the Marine Department; W. Evans Darby, on peace and arbitration, and John Kendrick Bangs, the American author.

HAD BAD SORE FOUR YEARS

Zam-Buk Has Healed It
Mrs. Wilson, 110 Wickson Avenue, Toronto, says: "About four years ago a sore spot appeared on the right side of my face. This spot increased in size until it became about half an inch in diameter and very painful. I went to a doctor, but the ointment he gave me did not have any good effect. The sore continued to discharge freely, and was most painful. I had it cauterized, tried poultices, and all kinds of salves, but it was no good, and I continued to suffer from it for four years!"

"A sample of Zam-Buk was one day given to me, and I used it. Although the quantity was so small, it seemed to do me some good, so I purchased a further supply.
"Each box did me more and more good, and, to my delight before I had been using Zam-Buk three weeks, I saw that it was going to heal the sore. In less than a month it was healed!"
"I know a lady in the east of the city, whose husband suffered for years with an open sore on his leg. On my recommendation, Zam-Buk was tried in that case. The other day, when I saw her, she told me that it had healed the sore completely.
My daughter, who lives in Lethbridge, Alta., has also used Zam-Buk with the same satisfactory result. I think it is, beyond all doubt, the finest healing balm known."

Such is the opinion of all persons who have really tried Zam-Buk. It is a sure cure for eczema, piles, abscesses, ulcers, scalp sores, ringworm, cuts, burns, scalds, bruises, and all skin injuries and diseases. 50c. box, all druggists and stores, or post free from Zam-Buk Co., Toronto, for price. In case of skin disease use also Zam-Buk Soap, 25c. tablet.

Suffered So Much She Wanted to Die

"Fruit-a-tives" Cured Her and Brought Her The Joy of Living

Enterprise, Ont., Oct. 1st.
For seven years I suffered with what physicians called a "Water Tumor." Hypertrophies of the Mucosa had to be given me to ease the pain.
During one of these bad spells, a family friend brought a box of "Fruit-a-tives" for the house. I was so bad that it was only when I had taken nearly two boxes that I began to experience relief.
I kept up the treatment, however, and after taking five boxes, I was cured, and when I appeared on the streets, my friends said "The dead has come to life" and this seemed literally true, because I certainly was at death's door.
MRS. JAMES PENWICK.
"Fruit-a-tives" are sold by all dealers at 50c. a box, 6 for \$2.50—trial size, 25c., or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

THE QUEEN AS CENSOR

Scores Film So Much That Presentation Is Abandoned

London, Oct. 28—Queen Mary has again shown that she has no sympathy with the latitudinarian views obtained in modern society in regard to matters which our grandmothers considered improper, and has incidentally upset the plans arranged for Her Majesty's entertainment by no less a personage than the Duchess of Devonshire.
Miss Violet Keppel, daughter of Mrs. George Keppel, a little while ago wrote a short five-act sketch for cinematograph films for private exhibition. The parts were played by several well-known amateurs, including Miss Muriel Wilson, Lady Warrener and Miss Keppel herself.
It was the duchess' intention to have these pictures shown at Chatsworth on the occasion of the royal visit, and in accordance with custom the films were privately shown to Queen Mary at Buckingham Palace, in order that Her Majesty might give her consent to the proposed exhibition at Chatsworth.
The queen wished, however, to have so many alterations made in the sketch—and particularly in the bedroom scene, in which the husband has a violent altercation with his wife, completely eliminated—that the idea of performance was entirely abandoned.

EMPEROR HAS ETHEL BARRYMORE'S BROTHER IN "BIOPHOTOGRAPH"

Since the advent of motion pictures many of our famous actors and actresses have had themselves photographed. They had regarding this branch of their art and are now appearing in some of the more important films. Among these we may include such noted people as Madame Sarah Bernhardt, Madame Rejane, Sir Johnstone Forbes Robertson, Sir George Alexander, Nat Goodwin, Sydney Drew, and last but not least, two members of the Barrymore family, Ethel and Lionel.
In the film "The Switch Tower" Lionel Barrymore has a prominent part, and is seen working with that incomparable actress, Miss Claire MacBowell. Of the latter a critic has said "She is one of the best motion picture actresses I have ever seen."

St. David's Y. P. A.

The Young People's Association of St. David's church held the opening social of the twenty-seventh year last evening, and a delightfully informal conversation, with a short programme of music and literature, made the first at-home of the season a very pleasant occasion. The programme included solos by Miss Ermine Climo and Clarence Givvan, a reading by Andrew Malcolm and selections by Harrison's orchestra. Light refreshments were served during the evening. The arrangements for the opening were in charge of the social committee, of which Miss Hazel Campbell is convener. The officers of St. David's association are: Honorary president, Rev. J. A. MacKintosh; president, James MacMurray; first vice-president, Miss Nellie McIntyre; second vice-president, W. R. Fraser; secretary-treasurer, H. D. Dunlop; assistant secretary-treasurer, Miss Elizabeth Morrison; pianist, Mrs. J. M. Barnes; assistant pianist, Miss Edith Doherty.

The Best Cough Syrup is Easily Made at Home

Costs Little and Acts Quickly. Money Returned If It Fails.

This recipe makes 16 ounces of cough syrup, and saves you about \$2.00 as compared with ordinary cough remedies. It stops coughs in any province excepting cough—in a hurry, and is splendid for sore lungs, asthma, croup, hoarseness, whooping cough, etc.

Mix two cups of granulated sugar with one cup of warm water, and stir for two minutes. Put 1/4 ounce of Pinex (fifty cents' worth) in a 16-ounce bottle, and add the Sugar Syrup. Take a teaspoonful every one, two or three hours. Taste good.

This takes right-hold of a cough and gives almost instant relief. It stimulates the appetite, and is slightly laxative—both excellent features.

Pinex, as perhaps you know, is the most valuable concentrated compound of Norway white pine extract, rich in ginseng and the other natural healing pine elements.

No other preparation will do the work of Pinex in this recipe, although strained honey can be used instead of the sugar syrup, if desired.

Thousands of housewives in the United States and Canada now use this Pinex and Sugar Syrup recipe. This has often been imitated, but the old successful formula has never been equaled. Its low cost and quick results have made it immensely popular.

A genuine, absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will send it for you. Send to The Pinex Co., Toronto, Ont.
