

## NEW RECORD FOR 220 AT MONCTON

Jewtraw in Exhibition Goes Distance in 18 1-5 Seconds

Gorman Wins 222 While Moore Takes Half Mile and Mile and Gets Third in 220—Some Good Going.

The feature of the first day's skating in the Jubilee meet at Moncton yesterday afternoon was the breaking by Charles Jewtraw, in an exhibition race against time, of his own mark of 18 4-5 seconds for the 220 yards dash. He skated the distance yesterday in 18 1-5, clipping three-fifths of a second. He also made an unsuccessful attempt to break the 440 record, covering the distance in 38 seconds. The international champion did not compete with the others.

Those taking part included Charles Gorman, St. John; Joe Moore, New York; Al Nuffer, Johnson City; Valentine Bialla, Lake Placid, and Edward Reid, Chicago. Joe Moore won both the half-mile and the mile and came third in the 220, which was won by Gorman. Gorman fell while well in the lead in the half-mile. The time in the senior mile was twenty-two seconds slower than that for the juniors.

In the ladies' class there was but one event, the 220 yards, in which only two competitors, Rose Johnson, of Chicago, and Mrs. Bell, of Moncton, appeared. Miss Johnson had an easy win.

Between 4,000 and 5,000 people attended the meet, which was officially opened by Miss Moncton, having as her guest Miss Canada, both of whom appeared on the ice in skating costumes.

During the afternoon an exhibition of fancy skating was given by Miss Milda Ruckert and Carl Milne, of Mattaburg. Bobby Hearn, New York, gave an exhibition of barred jumping.

## ROBINS GIVE MYERS FOR JACK FOURNIER

Trade Centre Fielder for the Veteran First Baseman—Ebbets Also Gets Smith.

New York, Feb. 20.—Charles H. Ebbets, the Brooklyn President, yesterday shopping last week and acquired for himself a new ball player. After a prolonged consultation with President Sam Bronfman of St. Louis he traded Hy Myers, the outfielder, for Jacques Fournier, the Cardinals' first baseman. Fournier, with his success, the Squire of Flatbush then cornered William F. Baker of Philadelphia and swapped Clarence Mitchell, the only left-handed spitballer in baseball, for "Columbia George" Smith, the right-hander formerly with the Giants.

In neither transaction, said Brooklyn officials, was there money involved, but this statement was accepted with certain reservations. Baseball men were willing to admit that the Mitchell-Smith trade was even enough, but nobody could be found outside of Brooklyn who would confess that Fournier is the equal of Hy Myers. If Squire Ebbets failed to get any cash along with the veteran and aging first baseman, it would seem that his reputation for being a David Harum has been sadly exaggerated.

Myers, of course, is not a youngster by any means. He is an old hand and slightly slow witted, but he was still a regular on the Robins last year, and an exceedingly valuable member of the Ebbets cast. He is a normal 200 hitter and a good man after a sliding runner. He was a regular in the big league for being a David Harum has been sadly exaggerated.

## HAIL LOSSES SLIGHT.

Calgary, Feb. 18.—The year 1922 was successful for the Hall Insurance Board of Alberta, as the losses were only \$291,679 against \$2,140,750 for 1921, according to a statement issued by A. W. Towell, secretary-treasurer. The board dealt with 1,940 claims last year as compared with 5,479 in the previous year.

The board, as well as paying the losses in full and all administration costs, has returned to the surplus and reserve fund all that was taken out in 1921. Last year's rate was five per cent, the lowest on record for the whole province since 1912.

A brief resume of the last four years' operations shows that the board carried in round figures a risk of \$72,000,000. The average rate charged was 6 3-4 per cent, on time. The actual saving to the insured on premiums amounted to more than \$1,000,000.

## Simple Application That Dissolves Blackheads

No more squeezing and pinching to get rid of these unsightly blemishes, blackheads. There is one simple, safe, and sure way to get them out, and that is to dissolve them. Get about two ounces of peroxide powder from your druggist—sprinkle a little on a hot, wet cloth—rub briskly over the blackheads for a few seconds—wash

the parts, and every blackhead will be gone. Pinching and squeezing out blackheads make large pores, and you cannot get all of the blackheads out this way—while this simple application of peroxide powder and water dissolves every particle of them and leaves the skin and pores in their natural condition.
