PROGRESSIVE ATTITUDE IN HOUSE REMAINS A MYSTERY

Debate Continues on Meighen's Non-Confidence Amendment; Precedents Quoted on Both Sides to Support Contentions

OTTAWA, Jan. 11.—"We have no bids to make," Hon. R. B. Bennett made this significant declaration from the front Conservative benches in the House of Commons tonight.

A. M. Carmichael, a Progressive from Kidersley, Sask., opened the day, but his speech left the mystery as to how his party will vote still unsolved.

REFERS TO AUTHORITIES

Mr. Bennett followed and interspersed his speech with many references from constitutional authorities, while two members of the government, Hon. E. M. MacDonald, Minister of Defence, and Hon. Lucien Cannon, Solicitor-General, joined in the debate.

Before adjournment, T. W. Bird, another Progressive, joined in the debate, but did not clarify the situation as far as his party was concerned.

Henri Bourassa will continue tomorrow.

A. M. Carmichael (Progressive, Kindersley), continued the debate on the non-confidence amendment of Right Hon. Arthur Meighen when the House of Commons disposed of preliminaries this afternoon.

WHITE SPEAKS

R. S. White (Conservative, Mount Royal), spoke of the amendment of Mr. Meighen as a "bold narrative of plain unvarnished facts" which none in the House could dispute.

MOTION BEFORE THE HOUSE

The motion before the House was to give precedence to the debate on the Speech from the Throne, and Mr. Meighen's amendment was thus also related to the speech.

DEATH-BED REPENTANCE

The Speech from the Throne, Mr. White described as "a death-bed repentance" with no more conviction than the other kind.

UPSET STOMACH, GAS, INDIGESTION

Not only had the Conservatives won in the recent election four seats in Quebec where formerly they had none, added Mr. White, but the party had increased its popular vote in that province by 100,000 votes.

McDONALD SPEAKS

Hon. E. M. MacDonald complimented Mr. White on the manner in which his speech had been delivered and welcomed him back to the house after his years of absence.

Mr. White had chosen to be "enigmatical" and had refrained from saying just what was the attitude of Mr. Meighen to Mr. Patenaude, and of Mr. White to both.

Mr. MacDonald declared that the action of the government since the recent election were justified under English precedents. The Liberal administration had taken the only proper

constitutional course and had called Parliament at the earliest possible moment in order to have the question of its right to continue in office passed upon by the House.

PRECEDENT MENTIONED

The position of the government, stated Mr. MacDonald, was also supported by precedent in its action in summoning Parliament, even though the Prime Minister had not a seat in the House of Commons.

BENNETT TAKES FLOOR

"This Parliament," declared Hon. R. B. Bennett, (Conservative, Calgary West), "has met under circumstances without precedent in the British Empire."

GLADSTONE'S POSITION

Mr. Bennett quoted the instance of Mr. Gladstone's position in 1874. His former British Prime Minister, stated Mr. Bennett, had the same ground that he could not properly meet Parliament as Prime Minister without a seat.

CANNON SPEAKS

Hon. Lucien Cannon, Solicitor-General, stated that the performance of Mr. Bennett reminded him of the old saying that history is a lesson that is long ago. "Joshua captured Jericho with noise," the House was confronted with one of the most momentous problems ever submitted to Canadian parliament, and he had no doubt that the members would reach their decision "guided by the sound principles of constitutional law and constitutional precedent."

PRECEDENTS ALLEGED

As precedents to the functioning of Parliament without a Prime Minister, the case of England in 1791 was given, when Pitt, though not a member of the House, drafted the speech from the throne, declaring war on France.

PRECEDENTS ALLEGED

Mr. Cannon contended that, in law, the amendment was unfounded, and that, in fact, it was "a misstatement, and its adoption would bring political chaos in Canada."

THORNTON TO SEEK MORE OCEAN SHIPS FOR GRAIN EXPORTS

Would Help Provide Carriers of Home Products From Canadian Ports

SPEAKS OF MEETING WITH MARITIMERS

C. N. President Will Wield Influence in Project's Promotion

LONDON, Ont., Jan. 11.—Sir Henry Thornton, President of the Canadian National Railway system, will throw the weight of his influence into the promotion of plans to provide ocean carriers from Canadian ports for Canadian goods, according to a statement issued here today.

Sir Henry, who passed through London on his way to Grand Haven, Mich., referred to the conference of representatives of the Maritime Provinces in Montreal Saturday to discuss the rights and wrongs of these provinces in the matter of grain trade from Maritime ports.

"We came to a very amicable understanding," stated the C. N. R. president, speaking of the conference. "Ocean export trade from Canadian ports does not depend on railway freight rates, but on the facilities of the ocean transportation companies in the matter of carrying goods."

"I would like my hon. friend to interrupt me intelligently or not at all," was Mr. Cannon's retort.

Continuing, Mr. Cannon asked if the Conservative members for Ontario were prepared to support the doctrine espoused in Mr. Meighen's Hamilton speech before actually sending troops overseas.

"I could not sleep at night, and I would have to get up out of bed and walk the floor for hours at a time."

WOMAN COULD HARDLY WALK

Mrs. Horn Tells how Lydia E. Pinkham's Vegetable Compound Restored Her Health

Hamilton, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and am well again. I could not walk without it now. I had a female trouble so badly I could hardly walk and I was all run-down and could hardly get around to do my household work. I would be in bed three or four days at a time. I was told by a friend to try your Vegetable Compound. I did, and by the time I took two bottles I was beginning to get around again. I took ten bottles in all, and now I am all right again and doing my own work. I have six grown-up to work for, so I have plenty to do. I also used Lydia E. Pinkham's Sanative Wash, and I think it is good. But I owe my health to the Vegetable Compound, and I think if more of it was used women would be better off. I would not be without it if it cost much more."

COULD HARDLY MOVE FROM STIFFNESS AND PAIN

Simple home treatment made short work of crick in neck

Don't let muscular pain disable you and cause you hours of suffering. You can get rid of it quickly with a simple and easy home treatment.

Here is a letter telling how one woman treated successfully a very severe case of crick in the neck.

"I could hardly move from stiffness and pain," she writes. "I used Sloan's Liniment and that was the end of it."

It is amazing how quickly and surely Sloan's takes the pain and stiffness out of any aching muscle. Just a few drops rubbed on lightly—and pain and stiffness melt away.

The fresh healing blood that Sloan's sends to the sick tissues washes out poisons, breaks up congestion, drives out pain. Relief is then immediate and complete.

So clean, pleasant, and easy to use that you don't even have to rub it in—the medicine itself does the work. Try it! All drugstores—35 cents.

TROUBLED WITH ECZEMA 3 YEARS

Scalp Inflamed. Hair Fell Out. Cuticura Heals.

"My daughter was troubled with eczema for three years. It broke out on the back of her head and her hair all fell out. The eczema scaled over and her scalp was red and inflamed. It was very painful and the irritation at night kept my daughter awake."

"A friend told me about Cuticura Soap and Ointment so I purchased some and within a week there was a decided improvement. I purchased more and after using two boxes of Cuticura Ointment, together with the Cuticura Soap, she was completely healed." (Signed) Mrs. John Donovan, Lewiston, Minn., June 11, 1924.
