### Parks' Cotton Yarns!

Awarded the Only Medal Given at the  
Centennial Exhibition  
For Cotton Yarns of Canadian Manufacture.  
No. 5's to 10's.

WHITE, BLUE, RED, ORANGE AND GREEN.  
Made of Good American Cotton with great care.  
Correctly numbered and Warranted Full  
Length and Weight.

WE would ask the purchasers of Cotton Yarn to  
remember that our Yarns spun on Thro-  
tle Frames, which make a stronger yarn than the  
Ring Frames, used in making American yarn.  
It is also better twisted and more carefully reel-  
ed; each hank being tied up in 7 leas of 120  
yards each. This makes it much more easy to  
wind than when it is put up without leas—as the  
American is—and also saves a great deal of  
waste.

Those acquainted with weaving will understand  
the great advantage it is to them to use yarn put  
up in this manner.

#### COTTON CARPET WARP,

Made of No. 10 Yarn, 4-Ply Twisted.  
WHITE, RED, BROWN, SLATE, &c.  
All fast colors.

Each 5 lb bundle contains 10,000 yards in  
length and will make a length of Carpet in pro-  
portion to the number of ends in width.

We have put more twist into this warp than it  
formerly had, and it will now make a more du-  
rable Carpet than can be made with any other ma-  
terial. Since its introduction by us, a few years  
ago, it has come into very general use throughout  
the country.

All our goods have our name and address upon  
them. None others are genuine.

### THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition  
of Dr. CULVERWELL'S CELEBRATED ESSAY  
of the radical and permanent cure (without  
medicine) of Nervous Debility, Mental and Phy-  
sical Incapacity, Impediments to Marriage, etc.  
resulting from excesses.

Price, in a sealed envelope, only 6 cents  
or two postage stamps.  
The celebrated author in this admirable Essay  
clearly demonstrates, from thirty years successful  
practice, that alarming consequences may be rad-  
ically cured, without the dangerous use of inter-  
nal medicine, or the application of the knife;  
pointing out a mode of cure at once simple, cer-  
tain and effectual, by means of which every suf-  
ferer, no matter what his condition may be, may  
cure himself cheaply, privately and radically.

This Lecture should be in the hands of  
every youth and man in the land.

41 Ann St., New York.
