VICTORIA TIMES. TUESDAY, JANUARY 29, 1907.

IMMENSE WASTE IN TIMBER LANDS

R. L. Drury Scored Government's Criminal Negligence---Joint Meeting at Oak Bay Schoolhouse.

(From Friday's Daily. The combination meeting of the elec-ary of Sasaich and the city, held at

"Then, gentlemen, I think Mr. Mac-tors of Saanich and the city, held at Oak Bay schoolhouse last evening, was a good one. While the attendance in numbers was not great, yet it was rep-resentative and comprised a large num-tors." Then, gentlemen, I think Mr. Mac-donald has shown an appreciation of the situation and a grasp of affairs that made this question a plank in his plat-torm. ber of the voters of Saanich, residing Timber Speculators.

ber of the voters of Saanich, residing in that district. There were five speak-ers in all-R. L. Drury, John Piercy, Richard Hall, J. D. McNiven and W. G. Cameron, and they were followed with the closest of interest. Shortly after eight the meeting was called to order and I Macdonaid nom-"I tell you, gentlemen," said the

called to order, and J. Macdonald nom-inated chairman. He first called on R. speaker, "there has been the greatest carnival of prodigality in this that any community has ever known. There is,

Not a Party Question. The question should never have been a party question. Frought as it was with more real concern to the present and future welfare of the province than perhaps any other issue, Liberais and conservatives should have united a party one, through the apathy and a party one, through the apathy and a party one, through the apathy and Not a Party Question. The question should never have been a party question. The question had been made a party one, through the apathy and The question had been made a party one, through the apathy and The question had been made a party one, through the apathy and The question had been made a party one, through the apathy and The question had been made a party one, through the apathy and The question had been made a party one, through the mathy and The question had been made a party one, through the mathy and The question had been made a party one, through the mathy and The question had been made a party one, through the mathy and The question had been made a party one, through the mathy and The question had been made The province the province tion. The question had been made The province tis the province tion. The question had bee

upon it. The question had been made some illustrations. the candidate for Saanich. He assured a party one, through the apathy and Mr. Drury referred to the records of his hearers that if slected he would

Premier McBride could have done no greater service to the country than in inaugurating an efficient system of protection for this, the greatest targ ble asset of the subject special atten-thad given the subject special atten-tion, and had collected much reliable data upon the subject which he had privately given the minister of lands and works. He had not made capital privately given the minister of lands and works. He had not made capital of the matter on the floor of the House, but had privately drawn the attention of the minister to it. Dober instances of grants made by the government since 1903 were: 25,800 acres sold for \$500; 10,000 acres sold for \$200; 5,200 acres sold for \$100; 1,200 acres and dor \$200 acres sold for \$100; 1,200 acres

providely given the flow of the matter on the flow of the House of the matter to it. At the reserve forsairy convention he new were negotiating for induce land access which they, weild for \$200 sources sold for \$200 sour

insted chairman. He first called of R.
L. Drury.
R. L. DRURY.
Mr. Drury, in begining his address, stated that he would avoid the beater, is solver known. There is, it fire can be no contradiction of this statement. Nor do I make it unsupported by evidence. I have here the roots of vithe House which prove it.
much attention during the present is solver, is wrong. In calling for the would avoid the beater is make up for many being spoiled. The roots important issues, and fraught is expected, is wrong. In calling for the value of the finite that steps he had asked what steps he had the roots connol al affars.
He referred to that question, to which J. A. Mac found, the Liberal leader, has deviced the third plank in the filmer. This was the question is for a mere song, which subsequent, by had been disposed of for thousands quite protection of forests.
Not a Party Question.
The question should never have been
The cuestion should never have been

limits that remain. Surely it is fime to take stock of our assets. What would one think of a merchant who permitted a customer to Sanich, and congratulated the Lib-

a party one, through the aparty and neglect of the McBride government. It was only when the McBride govern-ment had positively refused to take any action in the matter, that Mr. Mac-donald had made it a plank in his plat-form. Dromier McBride could have done no Calumbia and in the matter, that Mr. Drury referred to the records of the lands and works: Admartment-5,200 acres of timber land had been sold in. He had large interests in Sean-ich and his interests were their's. If elected he would do his beet to further the interests of the constituency and the province at large. He had no axe

the C. P. R.

There had been no change in the min-ing laws. It was well that he did not. He had let it alone, and with all the in-dustry let alone by the provincial gov-trament it had done well. Their attempts

The is initial to a place alonky engine. Mr. McNiven also referred to the school law, where the government by periodeus economy had narred the efficiency of the provincial schools. This was one of the reasons, why Mr. Tailow had a surplus. There were the day and offset the grand There were the day and offset the grand

The Colonist this morning charges that resolutions had been passed i Dawson by the Yukon Territorial Liberal Association and the Young Mens Liberal Club demanding that Sir Wilfrid Laurier recall Mr. McInnes; that Sir Wilfrid had promised an investigation and that the return of Mr. Mc. Innes to Ottawa was the result.

Mr. McInnes wires the Times from Vancouver to-day

Have not seen Colonist story. It probably refers to a document sent to Ottawa by two disgruntled reprobates whom my business administration did not please. The Liberal Associations of Dawson as soon as made aware of the personal attack repudiated the same and expresed the highest confidence in me and took steps to expel the authors.

I will deal with the matter at the public meeting here to-night.

W. W. B. M'INNES. A special dispatch to the Times from Ottawa to-day says: Last July two men forwarded to the premier, in the name of the Yukon Liberal Association complaints against the administration of Commissioner McInnes. This was

promptly repudiated by the association, who sent to Sir Wilfrid Laurier a resolution to that effect, unanimously passed by them. The resolution was that "McInnes has during his tenure of office endeavored to conscientiously and to the best of his ability conduct the af-fairs of the territory in an honest and business-like manner, and that it is the opinion of this association that Mr. McInnes has created new confidence of the people in the administration of affairs, and he has in this regard taken the people of the territory into his confidence in a manner quite new to the administration of affairs in this territory." The men who sent the false charges to Sir Wilfrid Laurier were vigo condemned by the association, before which neither appeared to defend the
