from Guaymas. She will proceed to box, 6 for \$2.50, or trial size, 25c. At Union Bay for bunkers, and then load dealers or from Fruit-a-tives Limited, W. P. Gooch, did not at Gray's harbor for Panama. This Ottawa. vessel is under charter to Henry Lund & Co., and will carry lumber for the canal construction work.

Ship Ellisand is due from Santa Rosalia to wait orders in the Royal Roads, She was chartered to load lum ber at Vancouver, but her place was taken by the barque Springbank. Steamer Aymeric, which is at Seattle

moves to Vancouver on the 30th, and vill pass out via Victoria to the Orient. The steamer Suveric is due from the Orient. This vessel has a large cargo consisting largely of tea, which must be delivered in the United States before the end of the month, This will make it necessary for her to go direct to Tacoma. The Suveric has besides her tea a quantity of hemp, silk, matting and curios, 7,000 tons in all, 1,000 tons being for British Columbia ports. Capt. D. Baird, superintendent for Andrew Weir & Co., is in the city a present to meet the Tymeric and take her to Union Bay. He will then go on to Vancouver.

CHEMIST 1228 GOVERNMENT ST. WESTMINSTERS WIN VICTORY

FIRST MATCH GOES TO PACIFIC COAST

Tecumsehs of Toronto Have Little Chance of Cup.

On Saturday afternoon in New Westminster the first of the two matches to o be played by the Tecumsehs of Toronto against the New Westminster lacrosse team for the championship and the Minto cup the visitors were defeated, the score being 6 to 4. The next match will be played to-morrow, when it is predicted a similar story will be to tell. The game itself, for two quarters at least, was perhaps the fastest that has; ever been played in the west. Until 37 the time that the Tecumsehs appeared to weaken in the third quarter, the teams were on even terms, and neither one had anything on the other. But the terrific pace of the two preceding Querrie's braves and they were forced back on the defensive, while New West-Extras 16
