Ottawa. Aug.16th.1928.

Sir:-

[Handwritten signature]

In reply to your letter of the 20th. ult. reporting a serious fire hazard on the Goldwater Reserve No.1 due to logging debris left by the Nicola Pine Mills of Merritt, B.C., I have to state that as this operation is not yet completed, you should advise the company that further cutting of timber must cease until such time as steps are taken by them to reduce the fire hazard.
