Card to Electors.

To Electors of the County of Northumberland. GENTLEMEN:—
The Legislative Assembly of the Province of New Brunswick having been desolved you are again called upon to choose representatives.
We the undersigned therefore beg to offer as Candidates for your suffrages.
The past policy of the Government has met with hearty approval throughout the province.
Under that policy, agriculturs!, lumbering and other industries have been stimulated and assisted, labor-giving enterprises promoted and the wage-sarner protection of the game of our forests has

CARD.

To the Electors of the County of Northumberland. I regret that circumstances compel me to decline nomination at the approaching election for the Provincial Assembly.

During my term of representation my relations with the Government and with my colleagues have always been of the most friendly nature. All my endeavours to further the 'interests of this county were fully supported by the one and fairly dealt with by the other, and I feel confident that the new candidate from Newcastle, who takes my place upon the Government Ticket, will meet with the utmost support and consideration in his efforts to further your interests.

Yours respectfully

The New Brunswick General Assembly Election. The general election tor represent tives to serve in the next House of Assembly of the Province took place

last Saturday, as our readers know. There was no reasonable fault connected with the administration of provincial affairs found since 1895, when the last election took place, and it is Fredericton Business College probable that under ordinary circumstances the term of the late House would have been allowed to run the full time of four years, but for an attempt on the part of ex finance Minister Foster, aided by what is known as the St. John Sun wing of the Liberal-Conservatives, to take charge of provincial affairs in the name of the whole party. This attempt was made through what is known as the Moncton conven-The protected.
