

WHLIE MINIE HAS DONE
LAKESIDE, ST. JOHN, N.B.
Editor.—In looking at some of the papers relating to the late war, the following passage caught my eye.—It is doubtless owing to the desire that the greatest success of the present war is being won.

TO MAY
Come, sunny May, with golden smile,
And with a crown of golden flowers,
In robes of green and blue and white,
With diamonds gleaming from sunny bowers.

SCANDAL
The devil has a wonderful penchant for taboos. Ever since the dawn of time, he has endeavored to keep the world in a state of confusion by his mischievous pranks.

DANDALION COFFEE
A Nourish! A Nourish! A Luxury!
The virtues of DANDALION have long been held in high estimation, but the difficulty of obtaining it in all seasons of the year has rendered it the wish of the public in extending and promoting its general use.
