EVANS ON STOCKS.
(F. B. McCurdy & Co.)
New York, Oct. 14.—It becomes more and more apparent by the action of the market that the advance of the early part of the week was a run-in of the shorts pure and simple, and that the people who engineered this move against the short interest have found a very poor market to liquidate the stocks which they bought at the lower level.

H. K. EVANS.

ONE DOSE RELIEVES
A COLD—NO QUININE
"Pape's Cold Compound"
ends bad colds or grippe
in a few hours.

Relief comes instantly.
A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

CHICAGO GRAIN AND
PRODUCE PRICES.
(F. B. McCurdy & Co.)
Chicago, Oct. 24.—Wheat—Market has been influenced more by realizing sales than by news. The desire for profits more than offsetting the higher cables from abroad and prices have averaged lower. We believe wheat is a purchase on the setbacks.

Corn—Easy, early on selling induced by favorable weather there but the leading bulls become heavy buyers on the breaks and caused a reaction. Buy on breaks.

Oats—Followed corn and rallied after opening break. Cash demand is showing marked improvement.

A. D. SLAUGHTER & CO.

CLOSING STOCK LETTER.
(F. B. McCurdy & Co.)
New York, Oct. 24.—The market opened fairly active and generally higher than last night's close. The street took an optimistic view of the exception accorded by the senate finance committee to Mr. Vandenberg's plan for a central bank and were disposed to think that the Mexican situation was more favorable than it has been of late. Stock was encountered in the advance, however, and when reports came from Washington that Mr. Wilson was as strongly opposed to any radical change in the bill as left house as he had ever been, the early advance was lost, and stocks turned dull and during the greater part of the day ruled close to last night's final level. The tone in the final dealings was strong, with general net gains showing throughout the list. Sales, 273,000; bonds, 1,933,000.
E. & C. RANDOLPH.

ITEMS ON STOCKS.
(F. B. McCurdy & Co.)
New York, Oct. 14.—Calls are reported being bought abroad on New York railroad stocks good until the end of the year.

Large interests never talk optimistically when they are accumulating stocks," says a Standard Oil official.

Information now received, particularly on the currency bill, is pointing to a much more favorable outcome. Rumors are current of melon cutting in the anthracite stock list. It may be in connection with coal segregation.

Persist talk of a new stock issue, instead of bond financing for Penna. is again reported.
