

CLOSING DAY AT ACADIA UNIVERSITY

Large Number of Friends
of University and Alumni
Present—St. John Students in Degrees List.

Wolville, May 26.—The day of Acadia University's closing dawned clear and beautiful, which induced many friends of the institution from neighboring towns to attend. These and the large number of visitors who have been attending the previous exercises made an unusually large gathering. At the appointed time the faculty entered College Hill and took their accustomed places on the platform. The governor and alumni were escorted to seats on the side platforms. The last to enter the hall were the fifty young men and women who were to receive degrees.

After prayer by Rev. G. A. Blackadar, of the Class of '05, four addresses were delivered by members of the Senior Class, as follows: "Man," by John George McKay, of Little Branch; "Weather Forecast," by Alexander Gibson, of Wolville; "Woman's Part in the War," by Evelyn Edna Smallman, of Wolville; and "The Law of the Jungle," by Charles Alvin Spurgeon Howe, of Wolville. All of these essays were of a high order and reflect much credit upon the class.

The honorary degree of Doctor of Divinity was conferred on Rev. A. B. Choe, Halifax, and Rev. Avery A. Shaw, of Brooklyn, N. Y.

Honorary degree of Civil Law on Dr. G. E. Crosby, of New York, and Mr. J. Y. Payzant, of Halifax.

Honorary degree of Master of Arts on Mr. C. H. Huntington, of Sydney.

Honorary degree of Doctor of Law on Dr. G. B. Cutten, President of Acadia University.

Honor certificates to A. B. Dawson in biology; L. C. Doty in French; J. A. Green in history economics; M. K. Ingham in Latin and English.

The following speakers were then called upon and delivered short addresses:

Rev. Avery A. Shaw, of Brooklyn, N. Y.; Dr. Choe, Dr. G. E. Crosby, Dr. G. B. Cutten and Rev. Chas. A. Eaton, of New York.

At the close a dedication service of the Emmerson Memorial Library was held from the library steps. The service opened with prayer by Mr. H. Manning, chairman of the Board of Governors. Dr. Cutten then gave a short address. He said in part that the library had been given by Hon. H. R. Emmerson, in memorial to his father, H. R. Emmerson, and that as Hon. H. R. Emmerson was deceased since the donation, he liked to think of the building as a memorial of both men. Mr. Charles H. Gould, librarian of McGill University, was then called upon and gave a short address.

Among those receiving the B. A. degree were the following from New Brunswick: Hazel A. Clark, St. John West; Deborah C. Crowell, Fairville; Irene F. Ganter, St. John; John W. Melner, St. John; Walter S. Ryder, Moncton; James Arthur Green, St. John; Mary Jenkins, Havelock, N. B.; John G. McKay, Little Branch, N. B.; Rae Vanhorne Wilson, St. John; Francis Lloyd Swin, Oaktown, N. B.

One Bachelor of Theology degree; ten Masters of Arts and four engineering certificates were awarded.

Myrtle G. Vanwart, St. John, received the M. A. degree.

SECOND UNIVERSITY COMPANY CANADIAN EXPEDITIONARY FORCE

The Second University Company, the organization of the Militia Department, on April 24th has made substantial progress towards completing its establishment. The company, under the command of Captain George C. McDonald, has its headquarters at 382 Sherbrooke Street West where about 110 men are already enrolled and in training.

In addition to this, two officers, Mr. G. M. Smith and Mr. D. G. Haggarty of the Toronto University C. O. T. C. have been appointed to look after recruiting in Toronto. A number of men have already been sworn in there and it is expected that before June 1st Toronto University will have furnished a full platoon of about 60 men. The full complement of all ranks required is 227 so that it is likely that the company will be up to its full strength at an early date. The rank and file are a splendid type of the young educated Canadians being recruited from University graduates or undergraduates, or men of a similar class. They are drawn from nearly every part of Canada, groups having been recruited from Vancouver, Edmonton, Saskatoon and Winnipeg as well as from the Eastern provinces. A number of men with C. O. T. C. Certificates have enlisted in the ranks.

In the training of this unit special attention will be given to further instruction in studying for officers certificates. A great many of the men have received the benefit of the training at the C. O. T. C. Camp at Niagara-on-the-Lake, which was held from May 2nd to 15th.

When the Company has been brought up to full strength it will probably be moved to one of the permanent camps to undergo further training before going to the front.

The first University Company ("D" Co. 38th Battalion C. E. F.) which has been selected as a draft to reinforce the Princess Patricia Canadian Light Infantry is at present in camp at Niagara-on-the-Lake and will probably sail for England inside of the next fortnight.

Had Heart Trouble FOR YEARS.

Weighted 87 Lbs.
Now Weighs 138 Lbs.

Miss Beatrice Longhead, Staples, Ont., writes: "I feel it my duty to tell you what Milburn's Heart and Nerve Pills have done for me. I had heart trouble for quite a few years. I doctored for it, and altogether my bill amounted to \$400, and still no cure. One day when very sick I was lying on a couch close to where some almanacs were hanging. I took one down, and was reading about what Milburn's Heart and Nerve Pills cured, and thought I would try them. I got six boxes to start with; have only taken three boxes and I never felt so well in my life as I do now. I only weighed 87 pounds when I started to take them, and now I weigh 138 pounds. I hope all poor sufferers will be benefited by them as I have been."

Wherever there is any weakness of the heart, Milburn's Heart and Nerve Pills will strengthen it and build up a strong healthy system. Price, 25 cents per box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

Here is a method for removing hair or fuzz that is unfailing and is quite inexpensive: Mix a thick paste with some powdered delatone and water and spread on hairy surface.
