## RIOT AT CLEVELAND HOCKEY GAME

Cleveland, Ohio, Jan. 3.—The third game in a series of hockey matches between the Cleveland Athletic Club and the Ottawa University broke up Saturday night in a riot, when 2,000 spectators crowded onto the ice, following a dispute between players with less than two minutes to play. Five members of the two teams were badly hurt, one, Irving, right for-

ward of the Cleveland team, so seriously he was taken to a hospital with a fractured skull. His recovery is said to be doubtful. Redmond Quinn and James Burnett of the Ottawa team were also injured, as were C. Winters and Clarence Jamieson of the locals. Rivalry between the two teams has been intense. Cleveland was leading last night by a two to nothing score. Friday night's engagement ended in a three to three draw, while Thursday the local boys were two to one victors.

After the game Goal Tender Moran of the Ottawa seven, was arrested on a charge of assault to kill.

**ST. NICHOLAS 6, VICTORIAS 1**

New York, Jan. 3.—The St. Nicholas hockey team of New York defeated the Victorias of Montreal, six to one here last night.

## A Modern Suburban Home

This is a very pretty gambrel-roofed cottage, of a type that has been growing in favor steadily in the past few years. It has beautiful lines, but is very simply designed. From the porch you enter a square reception hall with artistic staircase and beautiful spindled and balustraded entrances to the living and dining rooms. Living room is well lighted and cheerful with pretty open fire place. Dining room has a bay, and is a pleasant, good-sized room, with plate rail around it. There is a convenient pantry and well lighted kitchen with stairs to basement accessible both from kitchen and outside by a lobby.

On the second floor there are four bed rooms with good closets. Linen closet in bath room. Two low rooms could be planned in attic, but in this case allowance would have to be made for staircase which would take space from one of the second floor rooms.

The exterior is shingled, but this house would look well with cement, pebble-dashed walls, which would add somewhat to cost.

First story, nine feet; second story, eight feet six inches; width, thirty-three feet six inches; depth, fifty-three feet six inches. Foundation stone or brick; cemented cellar. Shingle roof.

Following items show cost of constructing: Excavation \$175, Millwork 700, Stonework 250, Plumbing, etc. 230, Carpenter work 600, Painting and glazing 250, Hardware 95, Plastering 300, Lumber 800, Hot air heating 100.

Total 3,500

### THE ST. JOHN SENIORS IN PRACTICE

The St. John senior hockey team held a practice on Saturday evening. Among the new players Shatford, a British Columbia man, showed up well in centre ice. Roly Smith of the 26th Battalion was back again between the goals and was in good form. In losing Roly the team meets with a considerable loss. It may be fortunate that the St. John team will have the services of Harold Ellis who has been playing with a fast Montreal team and as the last practice showed that he could keep the scoring down in good shape. The forwards, consisting of McGowan, Mooney and Gilbert brothers, McShane and Kilgus, showed considerable improvement over the last practice. Combination is becoming more evident. Jimmie Philips will be back at his old place this year. Games are being arranged for this week with Sussex and the 26th Battalion.
